After you click on 'Complete Order', your registration is complete! If you have a valid email address in your profile, you will receive an emailed confirmation and receipt. Members without an email address will receive their receipt via normal mail.

It is possible to change your registration before registration closes in May. To change a registration, follow the instructions at the beginning of this guide to start a registration. The system will recognize that you are already registered and ask if you want to modify your registration. When presented with the 'Member/member's Guest' screen, click on the 'Attendee's Selections' tab to make the relevant changes. If you are making changes for a guest, click on their name first before the attendee selections. You can also remove previously purchased items, if necessary. All refunds will be by check because we cannot process a refund directly to your card. It may take a week or two until the refund check is mailed.

If you have any questions about this process, contact Marsha Nicholas, at nationals.registrations@oldsmobileclub.org or by calling her at (517) 663-1811. You can also use the 'Contact Us' link at the top of OCA web site pages.
