★ Law Day 2026

Rule of Law and the American Dream

Law Day is celebrated by local and national bar associations on or near May 1 of each year. The purpose of Law Day is to bring awareness and an appreciation of our country's legal system to local communities and, in particular, to students. This year, the Omaha Bar Association and the Nebraska Paralegal Association are again sponsoring a poster contest as part of their annual Law Day activities.

This year's Law Day theme is *The Rule of Law and the American Dream*. The rule of law—the idea that no person is above the law—is what ensures the rights of the people to live their lives as freely as possible and to pursue their dreams. The ABA encourages all Americans to recognize Law Day on May 1, 2026, and to reflect on how the rule of law ensures all Americans have the ability to fulfill their dreams.
