

GREEN INDUSTRY Advocacy Day

WEDNESDAY, FEBRUARY 27, 2019

OHIO STATEHOUSE & RIFFE CENTER, DOWNTOWN COLUMBUS

All members are welcome! Your participation in this grassroots effort is more important than ever before. Hosted every other year, Ohio Green Industry Advocacy Day is a great opportunity to network with colleagues, meet with state legislators, and make your voice heard on issues critical to your business.

ADVOCACY DAY

Tentative Schedule

9:00 am	Registration & continental breakfast
9:30 am	Guest Speaker or Panel Discussion
10:30 am	Briefing Session: Review current bills and issues and prepare for afternoon meetings
11:30 am	Guest Speaker from the Legislature
12:00 pm	Lunch and networking
1:00 pm	Pre-scheduled meetings with legislators
4:30 pm	Legislative Reception

BE AN ADVOCATE FOR YOUR INDUSTRY

When surveyed, green industry association members regularly list legislative and regulatory advocacy as one of their key member benefits. So take advantage of this benefit! The best way to strengthen our industry is to become an active participant in legislative events. Advocacy Day is your opportunity to carry the message of “who we are” and have an impact on legislation that will affect green industry businesses.

BUILD YOUR NETWORK

As is the case in your business, advancement is heavily based upon relationships. Green Industry Advocacy Day helps you build relationships with two important groups: green industry business partners and members of the Ohio legislature and their staff.

SHARE YOUR STORY

Meet with your elected officials and offer to be a resource to policy makers on issues like water quality, water quantity, immigration, workers compensation and/or environmental reforms. Legislators want to make informed decisions. They want to hear from you. YOU have the knowledge that can help advance decisions that are favorable to our industry. No one tells your story better than you!
