

Dr. Henning currently has over 30 years of clinical and administrative experience. From 2004 to 2011 Dr. Henning directed clinical operations for Inland Empire Health Plan, starting as Medical Director and soon transitioning to Chief Medical Officer. In 2015 he joined UnitedHealthcare as CMO to develop and implement United's new MediCal product line. In 2010 Dr. Henning was appointed to the California Healthcare Workforce Policy Commission and has served as vice-chair/chairman from 2013 to 2021. Dr. Henning is past President of Osteopathic Physicians and Surgeons of California (OPSC) and has received both the society's Most Valuable Physician and Physician of the Year Awards. He chairs the California Delegation to the AOA House of Delegates. He has chaired many professional committees for the AOA, OPSC and CMA. Besides accomplishments in the medical community, Dr. Henning has 17 years of teaching experience, including 11 years as Assistant Professor at the College of Osteopathic Medicine of the Pacific. He has been an attending and teaching physician in the Family Practice Residency Program at Riverside County Regional Medical Center. In addition, he has been a supervising physician for Preventative Medicine Residents at Loma Linda University.
