FROM TIME TO TIME, I RECEIVE PHONE CALLS AND LETTERS OF INQUIRY AS I AM SURE MANY OF YOU DO, FROM PERSPECTIVE EMPLOYERS NEEDING SPECIFIC INFORMATION REGARDING SALARIES FOR OPHTHALMIC PHOTOGRAPHERS. MY REPLY IS USUALLY "IT ALL DEPENDS UPON THE JOB REQUIREMENTS AND LEVEL OF EXPERTISE WANTED". IT IS AMAZING AND DOWNRIGHT DEPRESSING HOW MUCH SALARIES DO VARY. DEPENDING UPON THE GEOGRAPHICAL LOCATION, AN INDIVIDUAL MAY COMMAND A FAIRLY HEFTY SALARY IN ONE AREA OF THE UNITED STATES BUT NOT ANOTHER AREA OF THE COUNTRY CONSIDERED A MORE DESIRABLE GEOGRAPHIC LOCATION. OF COURSE THE BEST OF BOTH WORLDS WOULD BE TO OBTAIN EMPLOYMENT IN AN IDEAL CLIMATE AT AN IDEAL SALARY. HOW MANY OPS MEMBERS WILL ADMIT THIS IS THEIR CASE? FROM SURVEY EXPERIENCE IT HAS BEEN FOUND THAT SALARIES ARE GENERALLY SOMEWHAT LOWER IN THE SOUTH AND SOUTHWEST. PROBABLY BECAUSE YOU DON'T HAVE SNOW REMOVAL EXPENSE, WINTER WARDROBES AND HIGH HEATING COSTS!! IT HAS ALSO BEEN FOUND THE MIDWEST, EAST AND WEST ARE MORE WILLING TO PAY HIGHER SALARIES FOR OPHTHALMIC PHOTOGRAPHERS. DO YOU THINK THIS IS A VAILD STATEMENT?
I THINK IT IS ONCE AGAIN, TIME FOR ANOTHER SURVEY. I WOULD BE HAPPY TO CONSTRUCT AND SUBMIT AN UPDATED SURVEY AND RESULTS IF I RECEIVE VALID QUESTIONS YOU FEEL ARE PERTINENT AND EDUCATIONAL IN NATURE. THE SURVEY COULD BE EXPANDED IN SECTIONS OR IT COULD BE PRESENTED IN A ONE TIME PACKAGE. EITHER WAY, IT SHOULD BE ONE WHICH REPRESENTS THE MEMBERSHIP AND ONE WHICH CAN BE USED FOR FUTURE REFERENCE.
GIVE THIS SOME THOUGHT AND RESPOND TO ME SO I MAY PUBLISH THE FEEDBACK.
WITHOUT YOUR PARTICIPATION AND COMMUNICATION, THE OPHTHALMIC PHOTOGRAPHERS' SOCIETY CANNOT HONESTLY SERVE ITS MEMBERS OR OPHTHALMOLOGY IN THE FASHION IT HAS BEEN DESIGNED AND ESTABLISHED.
TAKE A FEW MOMENTS AND JOIT DOWN A COUPLE QUESTIONS OR IDEAS YOU HAVE.
SEND THEM TO: JOHN L. JOHNSON, OPS NEWSLETTER, OPHTHALMIC SERVICES, 3601 W. 13 MILE RD., ROYAL OAK, MI. 48072.

THANK YOU.

SINCERELY,

JOHN L. JOHNSON, OPS NEWSLETTER EDITOR
Minutes, First Session
Ophthalmic Photographers' Society
Business Meeting
Saturday, November 1, 1980
Pick Congress Hotel Chicago, Illinois

1. Called to order by President, Csaba Martonyi, at 1:30 p.m. Members in attendance numbered twenty-nine.

2. Minutes of previous meeting were accepted without reading.

3. The President called for committee reports which were submitted by the chairpersons of respective committees.

   Newsletter, John L. Johnson, Editor
   Production costs per quarter, 1980
   $750.12 first quarter
   285.65 second quarter
   965.81 third quarter
   178.58 fourth quarter

   Editorial, Tom Van Cader, Chair

   Journal, Don Wong, Editor, described the publication of the Journal during 1980. (report attached)

By Laws, Ken Christopherson, Chair, told the assembly his committee has submitted proposed By-laws revisions that are currently pending B.O.D. approval.

Research and Development, Marlene Fishman, Chair, described various projects undertaken by her committee including a survey of film process methods utilized by eye photographers across the country.

Index, Marlene Fishman, Editor, described production and distribution methods and expenses.

   $600.00 contribution from Alcon
   580.00 printing costs at 800 ea.

Standards (Legal), Tom Van Cader, Chair, report included in minutes of Board of Certification meeting Friday, October 31, 1980.

Exhibit, Bill Ludwick, Chair, partial accounting of costs involved with production and transportation of 1980 scientific exhibit at A.A.O. given by Paul Montague Treasurer. Mr. Ludwick will make the awards presentation at the O.F.S. Banquet, Tuesday, November 4, 1980.
Awards, Frank L. Lazenby, Chair, the committee will examine the scientific exhibits at the A.A.O. convention and their awards announcements will be made at the O.P.S. Banquet, Tuesday, November 4, 1980.

Audit, Kenneth Julian, F.O.P.S., Chair, described the procedures whereby his committee examined the financial records of the Society for 1980.

Grievances, Kenneth Fong, Chair (report attached)

Balloting, Rita Harris, Chair, was absent. Mr. Paul Castellon, member of the committee, described the procedures whereby sealed ballots were received, opened and tabulated by the committee. Elected officer and board members officially announced.

President: Bruce W. Morris 1981-82
Vice President: Gerald S. Hoover, F.O.P.S. 1981-82
Treasurer: Paul R. Montague 1981-82
Secretary: Kenneth H. Christopherson 1981-82
Directors: Earl Choromokos, F.O.P.S. 1981-84
           Carl A. Kittelson 1981-84
           Terrance Tomer, F.O.P.S. 1981-84

Membership, Paul R. Montague, Chair, declared current active membership at this date to be five hundred-sixteen (516). Names removed from the active list, seventy-four (74).

Treasurer, Paul R. Montague, chair.

4. No response to a call for old business.

5. An item of new business was raised by a member from the assembly. Questioned the appropriateness and necessity of the $5.00 fee charged for participation at most of the specialty seminars offered as Continuing Education at this 1980 O.P.S. Annual Meeting. Moderate discussion ensued. (This item concluded in minutes of Board of Directors, November 6, 1980).

Respectfully submitted,

Bruce W. Morris
Secretary, 1980

6. The incoming elected officers and directors were sworn into office by Nominating chair, Mr. Frank Flanagan.

7. The motion was raised and this meeting was adjourned by Csaba Martonyi, President, at 3:15 p.m.
Oct. 20, 1980

ANNUAL REPORT

EDITORIAL COMMITTEE

With each passing year the members of the Editorial Staff is gaining valuable experience and confidence in matters pertaining to the production of a high quality professional journal.

Though we did experience the discouraging delays again this past year in meeting our planned publication schedule of two issues per year, steps were taken which hopefully will resolve this problem.

To this end, Mr. Ken Fong's title of Assistant Editor has been changed to that of Associate Editor, commensurate with the changing role that he has played over the past few months. The Associate Editor is now capable of planning, laying out, and initiating the production of a journal with the printer, as well as carrying the entire production of any given issue. Two important things are achieved by these changes:

1. The junior staff members of this committee are being fully trained in all vital procedures in order to be able to provide continuity in the absence of the Editor.

2. With this capability, the total burden of all the work of producing both issues in a given year is removed from the shoulders of one person, which should help in adhering to our production schedule.

We have initiated our program of offering basic educational material through the Journal, which should provide the main ingredient for most issues over the next few years. The attached financial report reflects the continued financial strength that the Journal is enjoying.

Respectfully submitted,

Don Wong, RBP, FOPS
1980 FINANCIAL REPORT

JOURNAL ACCOUNT

I. Income .................................................. $8547.00

1. OPS membership ........... $5652.00
2. Advertising ............... 1850.00

ANNUAL REPORT OF THE ACTIVITIES OF THE GRIEVANCE COMMITTEE:

The Committee received one grievance which was withdrawn before any official action could be taken.

Respectfully submitted,

Kenneth E. Fong
Jamie Nicholl
Michael Sobel
AUDIT COMMITTEE REPORT

OPHTHALMIC PHOTOGRAPHER'S SOCIETY, INC.

For The Period January 1, 1980-September 20, 1980

A review of the treasurer's records has been performed by the audit committee. The committee felt that the records were in fair form except for the following instances:

Item 1-Disbursement - Csaba Martoni - entered as Portland, Oregon $1,372.42. This entree should have been itemized. It was explained by the treasurer that this item also covered expenses for the Tampa certification.

Item 2-Journal account has been reviewed and Don Wong has been asked to make a monthly report directly to the O.P.S. treasurer, so the journal accounting records can be entered into the treasury monthly computer print out. It was also noted that monies were being held in the account for a considerable time when these monies could be in an interest bearing account, the interest question is to be a topic of discussion at a meeting to be held in Chicago on October 31, 1980.

Item 3-The audit committee believes very strongly that a set of ledger books should be kept listing all receivables and disburments. With separate accounting in the books for major meetings, journal account, news letter account, certification account, exhibit account, and any project of major concern taken on as a project by the O.P.S. in the future.

Item 4-The committee felt that the O.P.S. President should be included as an O.P.S. official and be able to draw on all O.P.S. accounts, in case the O.P.S. treasurer is unable to perform the routine duties as needed or may arrive.
Item 5—It is also recommended that the following people who are controlling O.P.S. funds be bonded.
1. O.P.S. Treasurer
2. O.P.S. President
3. O.P.S. Journal Editor.

Item 6—The Audit Committee recommends that the O.P.S. treasury accounts be set up on a fiscal year, this fiscal period to run from July 1st to June 30th with the first annual closing of the books to be performed on June 30, 1981 and annually thereafter. The books are then to be made available to the Audit Committee no later than August 1st following the closing.

Report respectfully submitted Nov. 2, 1980
Ken Julian, C.R.A., Chairman Audit Committee
Gerald Hoover, Member Audit Committee
Tom Egnatz, Member Audit Committee
BOARD OF DIRECTORS MEETING
November 2, 1980

Board of Directors Members in Attendance:

Bruce Morris
Karl Kittleson
John Johnson
Earl Choromokos
Csaba Martonyi
Terry Tomer
Jerry Hoover
Paul Montague
Ken Fong
Ken Christopherson

Meeting called to order 4:00 p.m.

Committee appointments:

Awards—Frank L. Lazenby + current member
Auditing—Kenneth G. Julian, Thomas Egnatz + 1 member
Balloting—Rita Harris, Paul Castellon, Ivan Pieper
Bylaws—Frank Flanagan, Chairperson; Csaba Martonyi, Ken Christopherson
Fellowship—consists of all Fellows consistent with Bylaws
Finance—Paul R. Montague, Ken Christopherson, Terry Tomer
Grievance—Ken Fong, Jamie Nicholl, Michael Sobel + 2 other people
Historian—Marlene Fishman
Honorary Life Membership—Terry Tomer
Legal & Editorial—Thomas Van Cader
Membership—Paul R. Montague, Ken Christopherson, John Johnson
Nominating—
Program—Gerald S. Hoover, Dennis J. Makes, Frank L. Lazenby, Thomas Van Cader
Research & Development—Marlene Fishman
Scientific Exhibit—Kenneth G. Julian, Chairperson; Ogden Frazier
Education—now under direction of Board of Certification

The committee appointments were unanimously approved by the B.O.D.
Discussions of Committee:

Fellowship Committee--

Question raised about the mechanism of the committee chair selection and the need for Fellowship Committee to be totally autonomous from governing by the Board of Directors. It was decided that the fellows will serve notably in the highest standard, primarily due to the high level needed to be achieved before being voted in as a fellow. A comprehensive statement will be established for inclusion in Bylaws.

Finance Committee--

Treasurer Paul Montague discussed the feasibility of adhering to Bylaws stipulation of a budget being approved at second Business Meeting. Presently possible but the Bylaws wording should be projection rather than budget to prevent a legal problem of a locked-in situation requiring strict adherence to a budget.

A financial report to be sent to the membership on a yearly basis was decided to be adequate.

Grievance Committee--

Question was raised on the need for five members on this committee. It was decided that at least two of the members should be included, and possibly should represent a wider area of the country than just one specific area.

Question was raised as to the value of members of committees being named officially. Pointed out that these people deserve recognition and a record of members on the committee is important.

Legal & Editorial Committee--

Both to be chaired by Tom Van Cader.

Membership Committee--

Was decided that the Secretary and the Treasurer should both serve on this committee to facilitate future problems. The Secretary is to serve as chairperson.

Nomination Committee--

Was voted on and announcement to be made at next Business Meeting.

Program Chairman--

Duties were specified with the education coordinated by the Board of Certification.

Discussion of other exhibits:

Discussion of a print exhibit other than by the Ophthalmic Photographers Society with inclusion of prints from the Ophthalmic Photographers Society membership was tabled for further discussion.
Bruce Morris (President) asked John Johnson to please continue as editor of the Newsletter.

Membership criteria—

Discussion concerning minimum requirements

1. OPS necessary to provide an avenue for people to learn about ophthalmic photography, so recommendation of minimum requirements to join.

2. If strict regulations are to be employed guidelines have to be established and adhered to and policed. Motion was made that anyone interested in promoting the objectives of the O.P.S. and has two signatures of either ophthalmologists or O.P.S. members will be considered. The membership committee is to consist of Ken Christopherson, Paul Montague and John Johnson and is to compile a brochure, which will also be used as a membership application form.

Membership goodies—

The certificates of membership will be continued and a membership packet with a letter of acceptance and certificate will be sent ASAP to new members.

Discussion of the availability of gummed, sticky-label mailing lists:

It was decided that these will be available to sustaining members upon request. Active members requiring these lists will need to submit a request to the B.O.D. detailing purposes for Board approval.

Outstanding Contribution Award—

The members of the Board unanimously approved Lee Allen as the recipient of this award. Guidelines were discussed for future eligibility of this award, i.e., C.V.'s submitted to Board for Board to judge qualifications.

First Outstanding Contribution Award—

It was noted that the first award given was a piece of paper, and the last two awards have been walnut plaques, and it was suggested that the first award should be updated to a walnut plaque also. Board voted unanimously to do so.

Financial report to members—

It was decided that a financial report will be sent to members once a year, and that a verbal report can be given to any member at any time.
Second Session of the
OPHTHALMIC PHOTOGRAPHERS SOCIETY
Business Meeting

November 6, 1980

1. Meeting called to order at 9:05 AM with 23 members present at start of meeting constituting a quorum (more members arrived during the meeting).

2. President Bruce Morris thanked:
   a. Jerry Sewell for the work he did arranging this national meeting;
   b. Paul Montague for the coordination of the entire registration and appreciation for the handling of finances (a growing and burdensome job);
   c. Dennis Makes and those that worked the tables during the long hours of registration; and
   d. Frank Lazenby, our official photographer who has taken on a very important documentary role and done an excellent job. He is also the Awards Committee chairperson and has performed this task equally well.

3. Minutes of last business meeting accepted without being read.

4. OLD BUSINESS
   a. Committee reports--the Scientific Exhibit Committee gave its report at the Awards banquet. The report consisted of naming the winners in all the categories.
   b. The Awards Committee announced that the Bascom Palmer Institute Exhibit received 1st place.
   c. The committee appointments were announced (the list of the committees and the appointments to these committees is given in the Minutes of the Board of Directors meeting of November 2, 1980).

The Nominating Committee appointments were announced. Emory Billings was appointed chairperson, with Rita Harris, Joseph Warnicki, Tom Quirk, Terry George and Earl Choromokos also appointed to serve on the committee.

Discussion from the floor:

A member asked if this announcement at the second session was not a violation of the Bylaws, since it was not voted on during the first session of the
of the Business meeting.

It was pointed out that the Bylaws were only violated in that the Nominating Committee was not appointed at the first session. It is a function of the Board of Directors to vote on the Nominating Committee and not the general membership. The vote by the Board of Directors was conducted prior to the second session and only announced at the second session.

5. NEW BUSINESS

a. Update of the Financial report by Paul Montague (Treasurer) was given. Paul stated that since all the bills are not in yet from this meeting it is hard to know exactly, but he expects there to be about $4000.00 left in the treasury at the end of the Fiscal Year.

Discussion from the floor:

A member offered that with a populous of more than 400 people this society might consider the hiring of a financial person that could also serve as a secretary. He suggested that as we are a growing organization there are increasing demands of time placed on the Board of Directors and the Officers and professional help might relieve the growing burdens. He further suggested the location of a home office.

It was pointed out that the Biological Photographers Association suffered similar problems and it was suggested that we should contact their Executive Secretary.

b. Bruce Morris (President) pointed out the concern others have that our meetings conflict with Academy courses. He stated, these people feel our meetings are too long and ponderous and exhausting as a result.

Bruce countered this by pointing out our duty to provide for ourselves these seminars and workshops and lectures. He also pointed out that this topic of discussion is not new; and that there are many pluses to having a meeting in conjunction with the Academy as well as many negatives.

1. Some individuals can attend only because their employers are gone at the same time. Some individuals can only attend during this Academy week.

2. We benefit from the exhibits. Many of the exhibitors cannot show their equipment a number of times during a year to different groups (O.P.S., A.A.O., JCAHPO, etc.). We would not be able to utilize equipment at some of our workshops without the manufacturers' help.
Discussion from the floor:

A suggestion of using the same buildings as the A.A.O. to hold meetings was pointed out, but it will not work because we are a satellite group from the A.A.O. and they will not allow this.

A suggestion that in the future there might be a separation from the Academy Meetings with a meeting at a different time. We would be able then to attend the Academy and benefit from their meetings. We need to have access to them.

Several members from the floor suggested a coordination with the Academy, Allied Health and O.P.S. for the practical utilization of equipment from the different manufacturers.

Jerry Hoover (Vice President) suggested a change of course times in the future and asked that any suggestions please be sent to him regarding any changes that might benefit our meetings.

A poll was asked to be taken by the Program Committee to find out what the membership wants for future programs.

c. Job Salaries

A member raised the question about conducting a survey to determine salaries. It was pointed out that John Johnson conducted a survey two years ago. Any survey taken by mail has to be approved by the Board of Directors.

d. Job Opportunity Information

It was decided that for job opportunities the present system of the use of the Newsletter is the only feasible system we have.
BOARD OF DIRECTORS MEETING
Following the Second Session of the
Annual Business Meeting

November 6, 1980

Board of Directors members in attendance:

Carl Kittelson
Ken Fong
Paul Montague
Jerry Hoover
Bruce Morris
Ken Christopherson
Earl Choromokos

1. The meeting was called to order at 11:00 AM.

2. Bruce Morris (President) offered that since a minimum representation of the Board was present, he felt that we should only discuss topics and not vote on any issues. Any topics needing a vote are to be voted on at a later date with a larger representation from the members of the Board of Directors.

3. $150.00 Seed Money to Chapter

The Portland area sent a letter asking for the $150.00 seed money. The Board found their chapter lacking in fulfillment of the Bylaws requirement for establishment of a chapter. The Portland chapter will not be given the seed money until the Bylaws requirements are met.

4. Journal Account of Missing Funds

The records of deposits prior to the Journal having its own account are missing, but the money was spent on the Journal. This account was asked to be moved to Iowa City for practicality. The Treasurer (Paul Montague) will be able to utilize the computer presently used for O.P.S. transactions.

The feasibility of future computer use was discussed. The present treasurer has access to a computer for O.P.S. usage, but future treasurers might not. This issue was not resolved.

5. Topic Continuity from Year to Year for Program Chairpersons

Earl suggested that a chairperson for the Program Committee should be appointed for a longer duration than the Vice President serves. This would allow continuity from meeting to meeting.

Jerry Hoover suggested a detailed explanation needs to be provided to new officers to explain what is required and what is expected so that a separate chairperson will not be required.
6. Bruce Morris (President) discussed the need for committee guidelines and Board supervision. He is going to send a letter to all members of the Board and to all committee chairpersons detailing their duties.

7. The procurement Committee consisting of Terry Tomer and others in the past, will no longer be a separate committee. The Finance Committee (Paul Montague, Ken Christopherson) will include Terry Tomer as its third member with the same responsibilities of the Procurement Committee. This will facilitate its purposes.

8. Topic of discussion: O.P.S. Sponsorship of Photographs for Use in Commercial Ventures

   a. Consensus of the Board members present held that the specific idea of selling photographs would not be a good idea for us to engage ourselves in. No vote taken until all members of the Board have a chance to discuss it.

   b. A representative of a drug company approached Bruce Morris (President) and offered to donate money to O.P.S. They in turn would appreciate the O.P.S. Board endorsing their photo contest. Also this company would like to provide money for teaching slide-sound sequences. Bruce Morris feels that this is part of the Procurement Committee's responsibilities.

   1. A question was raised about a conflict of interest for our own exhibit.

   2. We do not want to compromise our position with all of the other companies we deal with.

   3. Use of the Newsletter for advertising is under scrutiny by the society and it should be supervised by the Board.

9. Trust Fund

Spectrotech has made an offer to start a trust fund to the Society for Scientific Advancement in Ophthalmic Photography. Paul Montague consulted an Attorney to find out how to establish a Trust Fund. The criteria and mechanisms were discussed. The Board needs to reapproach George Zondiros to find out if he still is interested in being involved. The Board needs to establish our own rules and regulations regarding the control of the awards.

10. Bruce asked the Board members to contribute any changes of the Bylaws to the Bylaws Committee.

11. A member approached Bruce Morris (President) to bring to the attention of the Board that the annual membership fee should not be used to subsidize the cost of the national meeting. This individual feels that the registration fee for the national meeting should be high enough to cover its own costs.
Paul Montague (Treasurer) offered that the registration for this meeting paid for this meeting and the general membership dues are not used to subsidize the national meeting.

12. Finance Committee's Proposed Budget for the 1981 Fiscal Year

Minutes recorded by Ken Christopherson (Secretary)
November 26, 1980

John L. Johnson,
Director
Retina Service
3601 W. 13 Mile Road
Royal Oak, Michigan 48072

Dear John,

Please place the following vital information in the Newsletter.

* On November 3, 1980, during the Academy Week in Chicago, the Annual Meeting of the Fellows of the Ophthalmic Photographers Society was held.

At this meeting, Mr. Csaba Martonyi was elected into this group.

Fourteen of the sixteen Fellows attended and were joined by their companions for cocktails and dinner after the meeting was adjourned.

* 

Thanks John. Happy Holidays to you and the family.

Yours truly,

Earl Choromokos, FOPS, BL
ANNUAL OPS AWARDS AND PHOTOGRAPHS

THE FOLLOWING PAGES REPRESENT THE PHOTOGRAPHS AND PHOTOGRAPHERS AWARDED FIRST AND SECOND PLACE AWARDS IN THE LISTED CATEGORIES.

FIRST PLACE IN SPECIAL EFFECTS AND BEST OF SHOW CATEGORIES: "A 360 DEGREE VIEW" BY RANDY SPENCER, C.R.A.
FIRST PLACE IN EXTERNAL CATEGORY

"STAPHYLOMA" BY MARTIN SHUER
FIRST PLACE IN FUNDUS CATEGORY

"CENTRAL SEROUS CHOROIDOPATHY" BY THOMAS EGNATZ, C.R.A.
FIRST PLACE IN CORNEAL ENDOTHELIAL PHOTOMICROGRAPHY

"NORMAL ENDOTHELIUM AT 28 X" BY JOHN L. JOHNSON
FIRST PLACE IN SURGICAL PHOTOGRAPHY CATEGORY

"PARS PLANA LENSECTOMY" BY JOHN L. JOHNSON
FIRST PLACE IN RETINAL ANGIOGRAM CATEGORY

"PRESUMED OCULAR HISTOPLASMOSIS SYNDROME" BY JOHN L. JOHNSON
FIRST PLACE IN ANTERIOR SEGMENT ANGIOGRAM CATEGORY

"CORNÉAL VASCULARIZATION IN INTERSTITIAL KERATITIS" BY

EMERY E. BILLINGS
SECOND PLACE IN CORNEAL ENDOTHELIAL PHOTOMICROGRAPHY CATEGORY

"FUCH'S DYSTROPHY" BY GERALD S. HOOVER, F.O.P.S.
SECOND PLACE IN ANTERIOR SEGMENT ANGIOGRAPHY CATEGORY

"S/P PKP REJECTION WITH VASCULARIZATION" BY GERALD S. HOOVER, F.O.P.S.
SECOND PLACE IN EXTERNAL CATEGORY

"ACUTE DACRYOCYSTITIS" BY KENNETH JULIAN, C.R.A., F.O.P.S.

John L. Johnson  
William Beaumont Hospital  
Department of Ophthalmology  
3601 West 13 Mile Road  
Royal Oak, Michigan 48072

Dear John,

I'm writing in response to your article in the latest newsletter regarding the location for the OPS annual meeting, even though my attendance at the Academy meeting last month was as a "first timer" and I can't comment with any sort of historical perspective.

It's interesting to contrast the OPS with the BPA, since these are the two major health science photography organizations extant. The BPA annual meeting is held independently from purely medical meetings, and relies on the administrative and logistical services which the local chapter can provide. It seems that the OPS is oriented more around the national organization than the local since the Society has fewer members than the BPA; the AAOO meeting therefore covers certain details which the OPS lacks the resources to provide.

Furthermore, the nature of our profession is tightly bound to the broader scope of ophthalmology. The best photographic work in general comes from a profound understanding of the subject before our cameras; in such a technical field as ophthalmic photography this is especially true. And what better place is there for learning about our "subjects" than the Academy meeting? (I don't only mean anatomy of the anterior and posterior chambers; to photograph a muscle problem or a new surgical technique also requires an understanding of the subject.)

(To this end, I was frankly surprised that there was so little "official" interaction between the OPS and the AAOO in Chicago. It seems there should be provision made in the OPS program -- perhaps a specific time allocated-- for OPS members to visit the scientific exhibits at the AAOO meeting at the very least. Admission fees should be waived or perhaps incorporated into the general OPS registration fee. Has the AAOO ever been approached about this? It would seem that the OPS provides ophthalmology with an essential service and that greater interaction during the Academy meeting would result in higher quality service generally.)

In short, I believe it's advantageous to hold our meeting jointly with the Academy, but that more interaction is both desirable and necessary to maximize the benefits which this relationship can offer.

Yours sincerely,

[Signature]

Lawrence M. Merin, RBP
January 15, 1981

Mr. John L. Johnson
Editor, O.P.S. Newsletter
3601 W. 13 Mile Road
Royal Oak, MI 48072

I submit this open letter to the general membership and request you include it in the Newsletter. My intent is to describe the means by which the business of this society is conducted and to acknowledge the individuals who contribute their time and talents to carry on the work.

My most enthusiastic lauds are to Mr. Csaba Martonyi. It was a pleasure and an education for me to hold the position of Secretary during 1978-1980 while Mr. Martonyi was President. Simply stated, it is my opinion, this man has strengthened and advanced the stature of this organization through his personal efforts and sacrifice to an extent that is paralleled only by the founding members when they created the O.P.S. While several people have worked towards the elusive goal of certification in ophthalmic photography, it is because of the determination of Mr. Martonyi that the Board of Directors met in special session in Houston, February 3, 1979, to establish the Board of Certification, appoint the initial members and charge them with conducting examinations for official certification. The B.O.D. and B.O.C. voted unanimously to appoint Csaba Martonyi chairman and thus he filled both jobs during his two years as President. He proved to be equal to both tasks, coordinated and led the O.P.S. in admirable fashion. Several prominent figures and myself, encouraged Csaba Martonyi to run for reelection as President for 1981-1982. He felt he could not do his best at either job if drawn too thin by conflicting responsibilities and decided to give all his attention to chairmanship of the B.O.C. and the Education Committee. Mr. Martonyi was named Fellow of the O.P.S. at the annual meeting in Chicago, November 1980. A man of courage and intelligence, he is a valuable asset to this organization.

At the annual meeting in San Francisco, November 1979, Carol P. Justice, Treasurer and Bruce J. Busse, Vice President and B.O.C. member, were compelled to resign from their respective positions for personal reasons. The B.O.D. acted swiftly, appointing Mr. Ogden Frazier to the seat on the B.O.C., Mr. Paul Montague, Treasurer and Mr. Jerry Sewell, F.O.P.S., Vice President.

As interim Vice President, Mr. Sewell assumed responsibility for planning the 1980 annual meeting in Chicago, varied arrangements for hotel and equipment requirements were made, speakers and instructors scheduled in efficient order and ample communication
January 15, 1981

provided for officers, directors and committee members. By ac-
cepting this important assignment on short notice, then exceed-
ing reasonable expectations for performance of these duties, Jerry
Sewell helped the O.P.S. out of a tough situation.

Under similar conditions of pressing need, Mr. Paul Montague
accepted appointment as interim Treasurer and has virtually re-
defined the scope of that office. Some of Paul's contributions
are visible and touch the general membership directly. As chair-
man of the Membership Committee, he kept a close tally of new
applications, payment of dues and correct addresses. Paul also
volunteered to coordinate pre-registration of the 1980 Chicago
annual meeting and brought a new level of exacting efficiency to
the task. Financial considerations are the most significant con-
tribution from Paul, although, this work is not as apparent to the
general membership. He has carried our bookkeeping into the com-
puter age. Once a month, Officers, Directors and Committees in-
volved with society finance are provided with a precise accounting
of every dollar earned or spent. I am personally grateful to Mr.
Montague for his conscientious attitude as I know the organization's
money is being maintained in a responsible manner.

I will conclude this letter by pointing out the fine work done
by Mr. John L. Johnson. The opportunity I have to communicate with
all of you is due to the reliable nature of John in getting the
Newsletter to press. He provided this service for many years and
still found time to act in the capacity of member of the B.O.D. and
the B.O.C.

I am honestly delighted with the prospect of entering into new
and exciting endeavors on behalf of the O.P.S. during the next two
years. I fully appreciate the groundwork laid by my predecessors
in this office and I am very aware of my good fortune in having such
competent fellow officers with which to work. I plan to write this
type of open letter on a regular basis as I am determined the mem-
bership at large be informed of the business conducted during the
course of the year.

Yours Truly,

Bruce W. Morris, President
