From The President

The delinquency of this Newsletter is due to the delay in the submission of this column. Some unforeseen circumstances have kept me from the office for almost six weeks. Please accept my apologies.

It is with deep regret that the Board of Directors has accepted the resignation of our Treasurer, Mr. Ken Christopherson. Since the date that Ken agreed to run for OPS office he has taken a new position in Ophthalmic Photography which places far greater demands on his time. He will be able to continue his role on the Board of Certification. We on the Board of Directors extend our best wishes and hope that the future will permit his return to a more active role in the Society.

Ms. Bonnie Carlstrom has agreed to accept an appointment to the office of Treasurer for the remainder of Ken's term. Her outstanding leadership qualities have been demonstrated through her enthusiastic and conscientious contributions to the Park City Educational Programs for 1984 and 1985. She is a long-standing member who's talents and skills will be welcome on the Board.

Mr. James M. Stoutenburg has accepted an appointment as head of the Membership Committee. He will relieve the Treasurer of the responsibility of maintaining the membership lists and posting of dues payments. We will be purchasing a second computer to support the division of these tasks. The Vice President, Mr. Alan Frohlichstein, will assume the duties of meeting registrar and pre-registration coordinator. Appointments will be made by the Vice President to fill these positions as required.

Please continue to direct treasury, membership, and address items to my attention. I will publish notification when these changes take effect.

Over twenty hours per week have been required to perform the Treasurer's tasks. It is clear that we are headed toward the employment of an Executive Secretary or secretarial service for the conduction of OPS business. The upcoming dues increase is in preparation for that event should it be necessary. I hope that the division of tasks as outlined above will permit the running of the Society with volunteer help for a while longer.

With an official registration of 371, the National Meeting in San Francisco was the best attended of any OPS function to date. Our Vice President, Alan Frohlichstein, performed admirably in the production of pre-meeting materials, hotel arrangements, and formation of committees. To him and the countless individuals whose efforts have made this program a success, we extend our thanks.

The printing of the OPS Directory has been slightly delayed. With luck it should be off the press by the first of December.

Paul R. Montague, C.R.A.
President

Board of Certification

The members of the Board of Certification are:

- Earl A. Choromokos, FOPS, Chairman
- Terry Tomer, FOPS
- Gerald Hoover, FOPS
- Ken Julian, CRA, FOPS
- Terry George, RBP, FOPS
- Larry Mervin, RBP
- Don Wong, RBP, FOPS
- Ken Christopherson, CRA
*Ron Harper, CRA
*Kirby Miller, CRA
*Bruce Busse
*Richard Evans, CRA
*R. MacKenzie Timby, Jr., CRA

*new members

The BOC will attempt three (3) testing sites in the CRA level this year: Houston, Philadelphia, and hopefully, California. The exact dates will be given at a later date.

I would like to express my appreciation to all the coordinators, instructors, and volunteers who helped in this years meeting in San Francisco.

Sincerely,

Earl A. Choromokos, Chairman
Board of Certification

Upcoming OPS Elections

Notice to: Potential Candidates for OPS Officers and Board of Directors
Elections 1986-1987
From: The Nominating Committee (M. Coppinger, Chairperson, Terry George, Emery Billings, Ken Christopherson)

Anyone interested in submitting her/his name to the nominating committee for consideration as an officer (President, VP, Secretary, and Treasurer) or a member of the Board of Directors (at large) is invited to submit her/his name in writing to any member of the nominating committee before December 10, 1985 for consideration. Those not included on the final slate of candidates will be considered strongly for committee chairs and committee members. Members are reminded that a person may run for any office by petition, even after the slate of officers is presented to the membership. Details of this process are available on request as are job descriptions of all offices to be decided in next years election. For more details call JMC: (802) 442-2907

Ophthalmic Photographers' Society Chicago Chapter

July Meeting

The July meeting of the O.P.S. Chicago Chapter was held at Northwest Hospital in Chicago, Illinois. The Coordinator for the meeting was Bonnie Luchs Darrow of the Ophthalmology Department.

The evening's education program consisted of a presentation by Terri Duffy of CooperVision, Inc., on the ProKroster Wide Field Spectral Microscope. The discussion included such topics as the history of endothelial specular microscopy, its applications in the clinical environment, the advantages of a wide field instrument over the standard slit beam models, methods of cell counting, and examples of commonly documented pathology.

The entire Chicago Chapter would like to thank our Guest Speaker, the Program Coordinator, and CooperVision, for a very interesting and educational program.

August Meeting

The August meeting of the O.P.S. Chicago Chapter was held at the University of Illinois Eye and Ear Infirmary. The meeting was in association with the Society of Ophthalmic Medical Assistants in Chicago, hosted by Diane Frohlichstein.

The education program was presented by Leo Gilbert, C.O.A., Electrophysiology Specialist II. The course consisted of an introductory lecture on the principles of electrophysiological and psychophysical testing of the retina. Instruments explored during the lecture included ERG, dark adaptation, and the Nagel Anamaloscope. Techniques of measuring rod and cone function, the operation of the testing equipment, and the significance of test results were covered.

The entire Chicago Chapter would like to thank the Guest Speaker Mr. Gilbert, Diane Frohlichstein, and the Society of Ophthalmic Medical Assistants in Chicago for a very educational program.

Alan Frohlichstein, C.R.A.
President, O.P.S.
Chicago Chapter

Eyeball Open

On July 11, 1985, the First Annual Ophthalmic Photographers' Society 'Eyeball Open' Golf Tournament was held in Park City, Utah. The final four some was Terry 'The Gomer' Tomer, Ronald Harper, Terry George, and Earl Choromokos. Also participating, were Emery Billings, Mike Coppingler, and Gary McConnell.

The championship round was played at the Jack Nicklaus Golf Course (the longest course in Utah) where it took until the final hole to determine the winner, Earl Choromokos.

Next year's challenge is being planned as you're reading this. Check for details in future newsletters.
