Find Your ONA Constituent Association

ONA Constituent Associations are geographic areas or individual facilities which guide ONA’s governing body, the ONA House of Delegates (HOD). ONA members are elected to the HOD from constituent associations (CA), providing nurses an opportunity to be involved in ONA’s decision-making process at the local and statewide levels.

To determine which ONA CA you are a member of, please follow the guide below.

**Step 1**

Are you a member represented by a collective bargaining agreement?

- If **YES**, proceed to Step 2
- If **NO**, please skip to Step 3

**Step 2**

Do you work at any of the following facilities?

- Bay Area Hospital
- Good Samaritan Regional Medical Center
- Good Shepherd Medical Center
- Grande Ronde Hospital
- Harney District Hospital
- Kaiser Interstate (CA 51)
- Mid-Columbia Medical Center
- OHSU (CA 52)
- Providence Hood River Memorial Hospital
- Providence Milwaukie Hospital
- Providence Willamette Falls Medical Center
- Sky Lakes Medical Center
- Samaritan Albany General Hospital
- Samaritan Lebanon Community Hospital
- Samaritan Pacific Communities Hospital
- St. Alphonsus Medical Center - Baker City
- St. Alphonsus Medical Center – Ontario
- St. Anthony Hospital

- If **YES**, then this is your CA. These bargaining units also act as ONA CAs.
- If **NO**, please proceed to Question 3

**Step 3**

**Professional Association Members**

Nurses who are professional association members (not working under a collective bargaining agreement) are in the At-Large CA by default if you have joined ONA in the last 6 years. You can request to be placed in a different CA based on your geographic region, if there is an active CA available. If you have been a member for more than 6 years, you may also be in a geographic based CA instead of the At-Large CA. See the chart below for general geographically based CA options.
If you have any questions, please contact the ONA member services department and they can let you know your exact CA. Email member services at memberservices@oregonrn.org or call (503) 293-0011.

**Professional Union Members**

If you are a nurse in a bargaining unit not listed in question 2, you are in CAs based on geographic location. These CAs are based on the county in which you live or the facility in which you practice, so look through the CA list below and their corresponding counties and bargaining units to determine your CA.
