For such a small hospital, it was impressive to see how many nurses were willing to step up and do the job.

Please thank these individuals for their willingness to serve in the interests of the entire bargaining unit.

2014 Convention Was a Success!

Our Oregon Nurses Association (ONA) convention was filled with great learning opportunities, productive and in-depth discussions on labor and practice issues, and numerous opportunities for everyone to socialize and celebrate together!

At the House of Delegates, we had the honor of announcing the results of the 2014 ONA Statewide Elections, including introducing our incoming ONA Board of Directors President, Katy Cooper, RN from Oregon Health and Science University (OHSU).

ONA would also like to thank special guest Governor John Kitzhaber for talking with us during the luncheon on Tuesday, May 21! He gave an insightful speech on the future of health care reform and took the time to answer the questions our members submitted.

Stay tuned to the ONA website in the upcoming weeks for more recaps and updates from the convention, including photo galleries, session notes, full ONA election results and more.

2014 MEMBER SURVEY

The Oregon Nurses Association invites all members to participate in the 2014 Oregon Nurses Association (ONA) Member Survey.

Your feedback is important to us in how we can better improve our services and understand your individual practice as a registered nurse.

The survey should take about 15-20 minutes to complete. Please complete this survey by Monday, June 16, 2014.

If you have any questions, please contact Pisith Kong via email at kong@oregonRN.org.

Thank you in advance for your time and dedication to ONA!

To complete the survey, visit the ONA website at www.OregonRN.org and click on the Member Survey link on the front page. www.OregonRN.org
