Please Take ONA’s Ebola Survey

We are asking you to take a confidential survey so that we hear your particular concerns and interests. Your responses will not be individually identified in any way, but may be used to speak on behalf of ONA and nurses around the state.

If you haven’t done so already, please take this 10 question survey at your earliest opportunity. It is extremely important that we hear from YOU.

ONA will use this information to actively work on behalf of our members. click Here or go to https://www.surveymonkey.com/s/TBDYTXF

---

GSRMC

Your leadership is looking for volunteers to work on several community projects. Some of the suggestions from nurses are a coat drive, food drive, supporting a 5K team.

Want to help? Let one of your bargaining unit officers know, so we can arrange a couple of meetings and get things going.

SLCH

Your officers would like to see more unit representative to step forward and help with, answering questions, regarding the contract, help with investigative meetings and grievances.

If you are interest in stepping forward, please see an officer. Training is coming soon.

SAGH

The contract is finally signed and is off to print. We should be able to have the booklet out to membership by the end of the month. If you interested in helping with investigations, answer questions about the contract, writing a grievance or just how to read the contract. We need bargaining unit representatives.

If, interested let an officer know. Training is coming soon.
