Pete Moore Hospice House Staffing Committee Vacancy

We will be holding an election to fill the vacancy in the staffing committee for Pete Moore Hospice House at Cascade Health. Any registered nurse in our bargaining unit, who is in good standing can serve.

The committee develops and approves the staffing plan with input from all nurses. The committee includes equal numbers of direct care nurses and nurse managers. They must meet quarterly. Nurses are paid for meeting time, and the employer must release them from the floor to attend the meeting.

Nurses may self-nominate by emailing or texting Gary Aguiar at Aguiar@OregonRN.org or 503-444-0690. If you nominate another nurse, please contact them first, as we will need the individual’s consent.
