Your local nurses at Columbia Memorial Hospital are fighting for a fair contract, one that protects our community’s safety and ensures everyone in Astoria has access to safe, affordable health care.

Join us for a Town Hall on Sunday, Sept. 8 from 6-7 p.m. (doors open at 5:30 p.m.) to learn more about the issues facing nurses at Columbia Memorial and how they impact the entire Astoria community!

We have made many sacrifices over the years to make sure you receive the best care available. At the same time, Columbia Memorial is one of the most profitable hospitals in Oregon and is running an operating margin of nearly 12 percent. While we agree that having a healthy reserve is necessary, few efforts have been made to decrease patient costs, improve nurse staffing, or to recruit and retain high quality nurses our community deserves.
