Columbia Memorial News

It’s time to vote on our 10% raise and one-year contract rollover! Our bargaining team has been advocating for a raise that exceeds the cost of living since April 13, 2022, when negotiations began. We were able to achieve a significant raise that will put CMH at the top of the market for the hospitals in the Northwest Coastal area. In addition, this rollover secures previous wins/benefits (dock cap, pension and all other provisions in the contract) from being touched.

As long as the majority votes yes on this agreement, the 10% raise should go into effect on Sunday, July 10.

Having the contract rollover for a year will give the bargaining team more time to be comfortable with the negotiations process and will put us in a better position to go into full contract negotiations in 2023.

In order to achieve this, we needed to concede on a few issues that affect the family birth department. We are addressing those concerns with them directly.

Review the tentative agreement

If you have any questions, please feel free to reach out to one of our bargaining team members who all recommend a YES vote on this agreement.
The vote closes on Tuesday, June 28 at 11:59 p.m.

You must be a full dues-paying member in good standing or new application pending payment to vote. If you are interested in voting on this contract, go to www.OregonRN.org/APPLY and become a member today!
