Join Us at the ONA Convention

The ONA Convention and House of Delegates will be held May 17-19, 2022 at the Hyatt Regency in Portland, OR. The theme for the convention is Stand Up, Rise Up, Celebrate! The Power of Our Profession.

The past two years have been difficult for everyone, bringing new challenges at every turn, all while exacerbating many of the issues that nurses have been facing for years. The 2022 ONA Convention is an opportunity for leaders from across the state to come together to learn from these challenges, share our knowledge, and move the nursing profession forward. Together, we can stand up to employers who seek to put corporate profits ahead of those who are caring for the community. Together, we can rise up and build a better health care system that values caregivers and patients. Together, we can celebrate our victories, small and large, over the last two years as we continue to fight for a health care system that works for us, our colleagues, our patients, and our communities.

Join us for the ONA House of Delegates (May 18) and two days of educational sessions (May 17 & 19).

Columbia Memorial Hospital members are part of the ONA At-Large Constituent Association and delegates are eligible for reimbursement for registration fees, travel costs, and lodging.

Delegate nominations will re-open on Monday, March 28 and run through April 8. If you are interested in representing your colleagues at the House of Delegates, watch for an email on March 28 and sign up to be a delegate!
