PREAMBLE

This Agreement is entered into by Klamath County, Oregon, hereinafter referred to as the "County", and the Oregon Nurses Association, hereinafter referred to as the "Association". Unless indicated otherwise, references to the "Employer" or "County" herein shall include the Board of County Commissioners and the Director of the Public Health Department of Klamath County as the officials responsible to the citizens of the County for operation of the department covered by this Agreement.

The purpose of this Agreement is to set forth those matters pertaining to the rates of pay, hours of work, fringe benefits, and other matters directly related to employment of Registered Nurses in the bargaining unit covered by this Agreement.

The parties both agree as follows:

ARTICLE 1. – RECOGNITION

The County recognizes the Association as the sole and exclusive bargaining agent for the purposes of establishing salaries, wages, hours, and other conditions of employment for all of its Registered Nurses employed on a regular full-time or half-time one thousand five hundred and sixty (1,560) to one thousand nine hundred and forty nine (1,949) hours per year basis within the Klamath County Public Health Department, excluding Registered Nurses employed on an irregular part-time one thousand five hundred and fifty nine (1,559) hours or less per year, on-call, or temporary/seasonal basis and supervisors as defined in ORS 243.650(23).

For purpose of this Agreement, the following definitions apply:

1.1 Section 1 – Regular Full-Time.

A regular full-time employee shall be an employee who is hired into, appointed to, or currently occupies a position that is authorized, budgeted, and designated by the County as a regular full-time position. Such a regular full-time position will normally be scheduled to work thirty-seven and a half (37.5) hours to forty (40) hours per week, providing that, nothing in this Agreement shall constitute a guarantee of any number of hours per day, per week, nor per year.
1.2 Section 2 – Regular Half-Time.

A regular half-time employee shall be an employee who is hired into, appointed to, or currently occupies a position that is authorized, budgeted, and designated by the County as a regular half-time position. Such regular half-time position will normally be scheduled to work at least thirty (30) and less than thirty-seven and a half (37.5) hours per week. Such regular half-time employee shall be considered a member of the bargaining unit covered by this Agreement and shall be entitled to employer paid benefits on a prorated basis based on their FTE; with the exception of the medical contribution amount. Employees that are a point seven five (.75) FTE or greater shall receive the medical contribution amount equivalent to a full-time employee. For example, a zero point six zero (0.60) FTE employee would receive sixty percent (60%) benefits.

ARTICLE 2. – ASSOCIATION MEMBERSHIP

2.1 Section 1 – Membership.

Membership or non-membership in the Association shall be the individual choice of employees covered by this Agreement. The Human Resources Department will provide a fifteen (15)- minute opportunity for a Nurse representative to communicate with new hires within thirty (30) days. If a Nurse elects to join the Association, the Association representative will provide the Human Resources Department with the signed union dues deduction, which will be placed in the Nurse’s personnel file. Such payment shall be equal to and shall in no event exceed periodic dues uniformly required. The County agrees that no disciplinary or other action will be taken by the County against employees covered by this Agreement by reason of action or conduct as provided in this Article.

2.2 Section 2 – Membership Dues.

The County agrees to continue to deduct from the paycheck of each employee who has so authorized it, the regular monthly Association membership dues of the Association. The amounts deducted shall be transmitted monthly to the Association on behalf of the employees involved.
Authorization for deduction of dues shall be in writing, signed by the employee on forms furnished by the County and may be revoked by the employee upon written request. It is the employee's responsibility to ensure the authorization forms are returned to the Human Resources Department within the first ten (10) days of employment. Failure to do so may result in back payment of dues accordingly. The performance of this service is at no cost to the Association. The employee must submit, in writing, any change in membership status to the ONA Membership Coordinator at the following address:

Oregon Nurses Association
18765 SW Boones Ferry Road, Suite 200
Tualatin, OR 97062
Attn: Membership Coordinator

If the employee has elected payroll deduction, the ONA will notify the Human Resources Department of the change in membership status and the County will begin deducting the new amount reflecting the change in status.

2.3 Section 3 – Indemnify and Save.

The Association shall indemnify and save the County harmless against any and all suits, claims, demands and liabilities that arise out of or by reason of action taken by the County pursuant to this Article 2.

2.4 Section 4 – Member Lists.

Upon request, the County shall provide a digital list to the Association labor relations representative and Association member services of all bargaining unit Nurses, which indicates their current unit, step level, address, telephone number (unless directed not to do so by the Nurse), status, and date of employment. This list shall also indicate new hires and terminations subsequent to the prior list.
Within thirty (30) days of the first day of employment, the County shall provide the Association with a list of all new employees represented by the Association which indicates their current unit, step level, address, telephone number, (unless directed not to do so by the Nurse), status and date of employment.

ARTICLE 3. – MANAGEMENT RIGHTS
The County retains all the customary, usual, and exclusive rights, decision-making, prerogatives, functions, and authority connected with or in any incident to its responsibility to manage the affairs of the County or any part of it. The rights of employees in the bargaining unit and the Association are limited to those specifically set forth in this Agreement. The County retains all prerogatives, functions, and rights not specifically limited by the terms of this Agreement.

The exercise of any management prerogative, function, or right which is not specifically modified by this Agreement is not subject to the grievance procedure, to arbitration, or as set forth above, to bargaining during the term of this Agreement. Operational policies or management procedures not specifically addressed in this Agreement shall be subject to the current Klamath County Human Resources Policy & Procedures Manual.

ARTICLE 4. – STRIKES AND LOCKOUTS
4.1 Section 1 – Continuity of Service.
No employee covered by this Agreement shall engage in any work stoppage, slowdown, picketing, or strike at any County facility or place where County functions are performed during the life and duration of this Agreement. If any such work stoppage, slowdown, picketing, or strike shall take place, the Association will immediately notify such employees engaging in such activities to cease and desist, and it shall publicly declare that such work stoppage, slowdown, picketing, or strike is in violation of this contract. Employees in the bargaining unit, while acting in the course of their employment, shall not refuse to cross any picket line established in the County by any labor organization when called upon to cross such picket line
in the line of duty. Any employee engaging in any activity in violation of this Article may be subject to disciplinary action or discharge.

4.2 **Section 2 – Lockouts.**
There will be no lockout of employees in the unit by the County during the life and duration of this Agreement.

**ARTICLE 5. – HOLIDAYS**

5.1 **Section 1 – Holidays.**
The following shall be recognized as holidays for Nurses:

- New Year’s Day
- Martin Luther King, Jr. Day
- Labor Day
- President’s Day
- Memorial Day
- Veterans’ Day
- Independence Day
- Thanksgiving Day
- Friday following Thanksgiving Day
- Christmas Day
- *Two (2) Floating Holidays*

*Floating Holidays are to be taken between July 1 and June 30, scheduled in advance and with the approval of the Public Health Director, Nursing Supervisor, or designated person. All Nurses, except as explained further below, are eligible to accrue and utilize two (2) floating holidays per fiscal year in accordance with the provisions of Article 5.*

Accrual of floating holiday hours for newly hired employees shall be pro-rated in direct proportion to the number of hours worked during their first fiscal year of employment. Thereafter, floating holidays shall be accrued in accordance with the schedule above. Newly hired and/or probationary employees shall not be eligible to utilize floating holiday hours until after the successful
completion of the six (6) month benefit waiting period. Floating holidays may not be carried forward from one (1) fiscal year to the next fiscal year.

Whenever a holiday falls on a Sunday, the following Monday shall be observed as the holiday and, if it falls on a Saturday, the preceding Friday shall be observed. If the Nurse is on an authorized vacation, sick leave, or any other leave with pay when a holiday occurs, such holiday shall not be charged against such leave.

5.2 Section 2 – Holiday Pay.
Eligible Nurses shall receive one (1) day’s pay for each of the holidays listed above on which they perform no work. Holiday accrual and payment shall be prorated in direct proportion to a Nurse’s hours paid during any period of time in which a Nurse works less than the normal forty (40)-hour two thousand and eighty (2,080) annual work schedule. When a holiday falls on a Nurse’s regular scheduled workday, the Nurse shall be paid at the prorated rate for that day.

When a holiday falls on a day off for a less than full-time, forty (40)-hour per week Nurse, that Nurse shall be awarded another day off with pay at the prorated rate. Such day off shall be as mutually agreed to between the Nurse and the Public Health Director, or his/her designee, but shall be approved and taken within ten (10) working days from the date of such holiday.

5.3 Section 3 – Holiday Work.
If a Nurse is required by the Public Health Director, or designated person, to work on any holiday listed above, he/she shall receive, in addition to his/her regular pay, a full day off to be scheduled by mutual agreement between the employee and the Public Health Director.
ARTICLE 6. – VACATION

6.1 Section 1 – Accrual.

Regular Nurses shall be entitled to earn vacation time in accordance with subsections listed hereafter. Vacation shall accrue on a monthly basis from the date of hire and shall vest after successful completion of the probationary period.

After the probationary period, eligible employees shall be credited with all accrued hours from date of hire. Thereafter, vacation shall accrue for each regular hour paid at the rates in accordance with the vacation accrual table.

6.2 Section 2 – Vesting.

Accumulation of Vacation Credit. After the first six (6) months of employment, Nurses will be credited with and able to take up to six (6) days of vacation leave. Thereafter, at the end of each month, the Nurse will be credited with the vacation he/she has earned during the preceding month in accordance with the accrual rates in the above table, prorated on a monthly basis.

Vacation shall be scheduled in accordance with Section 6.4, but accumulated vacation carryover from year to year may not exceed a total of two (2) years accumulation. Any Nurse reaching the maximum accumulation shall be notified not later than thirty (30) days before the anniversary date. The Nurse shall then make arrangements within the department to utilize some of the accumulated vacation. If there is a bona fide reason why vacation has accumulated and cannot be taken prior to reaching the maximum point, the Nurse will submit a special request in writing to the department requesting permission to carry over the accumulated vacation for a specified period of time. For this purpose, a bona fide reason includes, but is not limited to, the following: a shortage of staff to allow the time off request; the time period
requested is already schedule off by other staff and cannot be duplicated; or a public health emergency is declared that requires the attendance by the Nurse; etc.

6.3 Section 3 – Continuous Service.
Continuous service for the purpose of accumulating vacation and sick leave credit shall be service unbroken by separation from the County. Time spent on compulsory military leave, sick leave, or authorized educational leave shall be included as continuous service. All other types of authorized leave, including lay-off, will not be counted as continuous service. Nurses returning from this type of leave will be entitled to credit for service prior to the leave or layoff.

6.4 Section 4 – Scheduling.
Nurses shall be permitted to request vacation either on a split or an entire basis. Vacation time shall be approved by the Public Health Director, Nursing Supervisor, or designated person based on the needs of efficient operations and the availability of vacation relief. Subject to the foregoing, vacation preference shall be determined based upon seniority. Each Nurse shall be permitted to exercise his/her right of seniority one (1) time only in each two (2) year period.

6.5 Section 5 – Termination.
6.5.1 Transfer Credits and Terminal Vacation Pay.
If a Nurse transfers to another County Department, all vacation accumulation shall be transferred to the new department provided that the labor contract language of the bargaining unit, if any, to which the Nurse transfers does not conflict with this stated transfer right. In the event of a conflict, the language of the new bargaining unit or employee group to which the Nurse will be employed shall prevail. A Nurse who terminates during the six (6) month benefit waiting period shall not be entitled to vacation payout. In the event of termination of service or retirement after a Nurse has completed the benefit waiting
period, the Nurse shall be entitled to cash compensation at the regular rate of pay for all unused accumulated vacation. In case of death, the Nurse’s estate would be paid.

ARTICLE 7. – HOURS OF WORK

7.1 Section 1 – Normal Workweek.
The workweek, to the extent consistent with operating requirements of the Public Health Department, shall normally be Monday - Friday. However, in cases of emergent or extenuating circumstances when a Nurse is required to work on a Saturday or Sunday, the Nurse shall be provided with an alternate time off, equal to the number of hours worked, in either the five (5) days preceding or within thirty (30) days.

7.2 Section 2 – Hours.
The regular scheduled work hours each day shall normally be consecutive, except for interruptions for rest and meal periods as outlined in Section 7.4. The regular workday and workweek shall be in accordance with the departmental practice and procedures in effect on the date of this Agreement, provided that nothing in this Agreement shall constitute a guarantee of any number of hours worked per day or per week.

7.3 Section 3 – Schedules.
To the extent consistent with operating requirements and the need to adjust schedules to meet patient needs, all Nurses shall be scheduled to work on a regular work shift, as determined by the Public Health Director or his/her designee. Except in case of emergent or extenuating circumstances, Nurses will be given at least three (3) business days’ notice of any change in schedule.

7.4 Section 4 – Rest Periods.
For non-exempt employees, a rest period of fifteen (15) minutes for every segment of four (4) hours of work will be given. As much as possible, this break should be taken approximately midway in the segment of the four (4)-
hour period and shall be scheduled by the County in accordance with its
determination as to the operating requirements of each employee’s duties.
Exempt employees may take rest periods as described above, but are not
required to do so.

7.5 Section 5 – Meal Periods.
Except in emergency or unusual circumstances, non-exempt Nurses shall be
granted an uncompensated meal period of no less than thirty (30) minutes,
not to exceed sixty (60) minutes in duration for each six (6) hour work period
in accordance with State and Federal Law. To the extent consistent with
operating requirements of the department, meal periods shall be scheduled
at or near the middle of the work shift. Exempt employees may take meal
periods as described above, but are not required to do so.

ARTICLE 8. – SICK LEAVE

8.1 Section 1 – Accumulation.
Sick leave shall accrue at the rate of eight (8) hours per month for exempt
full-time Nurses and at the rate of point zero four six (.046) hours each hour
worked for half-time, non-exempt Nurses. Sick leave is eligible for usage
upon accrual. Sick leave may be accumulated up to a total of nine hundred
sixty (960) hours and must be taken for the purposes specified in Section
8.2.

8.2 Section 2 – Utilization for Illness or Injury.
Sick leave may be utilized when a Nurse is unable to perform their work
duties by reason of illness or injury or for any reasons required by federal or
state law. The Nurse shall notify the Public Health Director, Nursing
Supervisor, or designated person, of the need to take sick leave and the
nature and the expected length of the leave as soon as possible and in no
case less than at least one-half (1/2) hour before the beginning of that
individual's scheduled workday, unless unable to do so because of serious
injury or illness. A healthcare provider's statement of the nature and identity
of the illness, the need for the Nurse's absence, and the estimated duration
of the absence, may be required at the option of the Public Health Director or County Human Resources Department for absences of more than three (3) consecutive days.

8.3 **Section 3 – Family Members.**
Each Nurse may use sick leave to provide care for family members as prescribed by the Oregon Sick Time law and Oregon and Federal Family Medical Leave Acts (OFLA and FMLA). A Nurse’s immediate family shall be as defined in the Oregon Family Leave Act, to include the spouse; same-gender domestic partner; biological, adoptive, step, or foster parent; parent-in-law; parent of same-gender domestic partner; biological, adopted, foster, or step child; child-in loco parentis including any person with who the employee is or was in a relationship of in loco parentis; child of the employee’s same-gender domestic partner; grandchild; grandparent.

8.4 **Section 4 – Integration with Workers’ Compensation.**
When an injury occurs in the course of employment, the County’s obligation to pay under the sick leave article is limited to the difference between any payment received under Workers’ Compensation laws and the employee’s regular salary. In such instances, charges against accrued sick leave will be based upon the hours of sick leave necessary to permit an employee to maintain his/her regular straight time earnings during the period of disability to the extent the employee has accrued, but unused, sick leave.

8.5 **Section 5 – Without Pay.**
Upon termination of OFLA/FMLA, the Nurse may request an additional ninety (90) days sick leave absence. All accruals must be exhausted prior to going into an unpaid status. If the employee is unable to work and perform his/her regular duties after this ninety (90) days leave of absence, the employee may be terminated. The County will not maintain the normal contribution for health insurance, but shall make available the option for coverage, during this extended ninety (90) days leave of absence.
8.6 **Section 6 – Purpose.**

Sick leave is provided by the County in the nature of insurance against loss due to illness or injury.

**ARTICLE 9. – OTHER LEAVES OF ABSENCE**

9.1 **Section 1 – Parental and Family Leave.**

Nurses shall be allowed to take parental and family leave in accordance with OFLA and FMLA. Upon application, and with the prior approval of the appropriate administrator or his/her designee, employees shall be allowed to utilize accrued vacation and/or sick leave for absences resulting from application of this Section.

9.2 **Section 2 – Unpaid Leave.**

A leave of absence without pay, not to exceed ninety (90) calendar days, may be granted upon establishment of reasonable justification in instances where the work of the department will not be adversely affected by the temporary absence. Requests for such leaves must be in writing. Such leave will not be approved for any Nurse for the purpose of accepting employment outside the service of the County.

9.3 **Section 3 – Bereavement Leave.**

A Nurse shall be granted five (5) days of paid bereavement leave with regular salary in event of the death of an immediate family member as defined in OFLA. A Nurse’s immediate family member shall include spouse; same-gender domestic partner; biological, adoptive, step or foster parent; parent-in-law; parent of same-gender domestic partner; biological, adopted, foster, or stepchild; child-in loco parentis including any person with who the employee is or was in a relationship of in loco parentis; child of the employee’s same-gender domestic partner; grandchild; grandparent. Two (2) weeks of additional unpaid bereavement leave may be granted to a qualifying employee. This must occur within sixty (60) days of receiving notification of a family member’s death. The employee may use accrued leave. Additional time off may be requested by the Nurse should personal
circumstances demand an extended absence. The granting of such time shall be subject to the approval of the Public Health Director Nursing Supervisor, or designated person and will consider the impact of Nursing operations and services in the approval or denial.

9.4 Section 4 – Jury Duty.
Nurses shall be granted leave with pay for jury duty upon providing a copy of the jury summons to the Public Health Director. Upon being excused from jury service, a Nurse shall immediately contact the Public Health Director, Nursing Supervisor, or designated person for assignment for the remainder of the regular workday.

9.5 Section 5 – Appearances.
Leave with pay shall be granted for an appearance before a court, legislative committee, judicial, or quasi-judicial body as a witness in a Nurse’s professional capacity and in response to a subpoena or other direction by proper authority. Insofar as is practicable, court appearances shall be scheduled in such a way as to avoid overtime.

9.6 Section 6 – Association Business.
Nurses elected to any Association office or selected by the Association to do work which takes them from their employment with the County shall, upon written request of the Association and the Nurse, be recommended by the Nurse’s supervisor to the Public Health Director for a leave of absence without pay. Members of the Association selected to participate in other Association activity shall, to the extent consistent with the operating requirements of the department, be granted a leave of absence without pay at the request of the employee. Any Nurse who has been granted such a leave of absence and who, for any reason fails to return to work at the expiration of said leave of absence, shall be considered as having resigned his/her position with the County unless the Nurse, prior to expiration of his/her leave of absence, has made application for and has been granted an
extension of said leave or has furnished evidence that he/she is unable to
return to work by reason of sickness or injury.

9.7 Section 7 – Unpaid Educational Leave of Absence.

After completing two (2) years of continuous service, a Nurse, upon written
request, may be granted a leave of absence without pay by the County for
the purpose of upgrading his/her professional ability through enrollment in
educational courses directly related to employment at an accredited school
or course of study. A period of such leave of absence shall not exceed one
(1) year, but may be renewed or extended upon request of the Nurse and
approval of the Public Health Director or designated person for up to one (1)
additional year. One (1)-year leaves of absence may not be provided more
than once in any three (3)-year period. When a Nurse returns to the employ
of the County after an unpaid leave of absence, the Nurse shall be placed in
the following sequence: First (1st), their prior position, if available; Second
(2nd), a comparable position, within the department, for which the employee
is qualified, if available; Third (3rd), a lesser position, within the department,
for which the employee is qualified, if available. Finally, if no work is
available, the employee will be separated.

9.8 Section 8 – Paid Educational Leave.

Both the County and the Association affirm their commitment to providing
training programs and other similar programs intended to broaden the skills
and professional abilities of bargaining unit members in the field of public
health.

The County agrees that each Nurse shall be granted a minimum of twenty-
four (24) hours of public health related training per year, at least sixteen (16)
hours of which will be initiated at the Nurses' request. Such training may
consist of in-house workshops, training sessions, briefing sessions and other
programs of a similar nature as well as similar opportunities that may be
available inside or outside of the Klamath Falls/Klamath County area.
A training plan will be developed by the bargaining unit Nurses and their supervisor and submitted for approval by the Public Health Director on a semi-annual basis. This cooperatively developed Plan will ensure that the professional development of each Nurse and the mission of the County will be served to the optimum. Normally, dollar amounts dedicated in this area shall be limited to a reasonable amount based upon the course or subject, as defined by the County, and shall attempt to be inclusive of all Nurses so that all Nurses have an equal opportunity to benefit from such programs.

9.9 Section 9 – Reimbursement.
The County shall pay all costs associated with such approved educational leave under Section 9.8. Additionally, the County will reimburse expenses in accordance with the County reimbursement policy.

9.10 Section 10 – Donation of Vacation and/or Sick Time.
Employees may, with the approval of the Public Health Director and the Human Resources Director, donate up to a combined maximum of forty (40) vacation and sick hours (on an hour-for-hour basis) per calendar year to other eligible Klamath County employees in need of paid leave time. This shall follow the County’s Donation policy in the Human Resources Policy and Procedures Manual.

ARTICLE 10. – HEALTH, WELFARE AND RETIREMENT

10.1 Section 1 – Health Benefits.
The County shall provide health and medical insurance coverage comparable to the present coverage of Major Medical, or comparable plan, coverage for each eligible employee covered by this Agreement. The County will not duplicate premiums paid in the event an employee and his/her spouse are both employed and are eligible for coverage. In such event, monthly payments shall be paid only on behalf of one (1) eligible employee, the other employee being designated as a dependent for health insurance. Effective July 1, 2022, the County will continue to pay, on behalf of each eligible employee, a premium payment for single or family coverage,
whichever is applicable, of the Major Medical plan toward the premium of the health, dental, and vision insurance plans up to a maximum of one thousand five hundred and eighty ($1,580), whichever is less. Effective July 1, 2023 the County will continue to contribute up to a maximum of one thousand six hundred and thirty dollars ($1,630) per month. Effective July 1, 2024 the County will contribute one thousand six hundred and eighty dollars ($1,680) toward the premium. If the total premium payment to be paid by the County on behalf of eligible employees exceeds the premium required for the coverage selected by the employee, the employee shall not be entitled to receive the difference under any circumstances, unless they have selected the High Deductible Health Plan option.

If the provision of the Affordable Care Act known as the Cadillac Tax negatively impacts either party, the parties agree to reopen this Article to bargain the impact.

10.2 Section 2 – Retirement.

The County agrees to enroll each eligible and qualified employee in the Klamath County Employees’ Pension Plan (Plan) and pay the employer's contribution. Eligibility for retirement under the Plan shall be age sixty-two (62) or at age sixty (60) with unreduced benefits.

The County agrees to maintain the benefits provided in its existing Retirement Plan, providing for new enrollees to start participation on the first day of the month following the date of hire. Effective July 1, 2007 the County will pay one percent (1%) of gross salary into each eligible employee’s participant account in addition to the six percent (6%) paid by the employee. Employees hired on or after January 1, 2021, will receive retirement benefits in accordance with the County’s defined contribution plan on the same terms and conditions applicable to the County’s non-represented employees. Employees hired on or before January 1, 2021, will remain on the Klamath County Employees’ Pension Plan (Plan). New employees will be enrolled in the new retirement plan.

Nurses without documentation of previous positive tests or treatment for latent TB infection shall be provided the recommended baseline testing for TB infection, at employer’s cost. A chest x-ray shall also be provided at no cost when so indicated by documented results and in accordance with current standards and guidelines. Klamath County reserves the right for additional testing.

ARTICLE 11. – GRIEVANCE AND ARBITRATION

11.1 Section 1 – Definition of Grievance.

A grievance is an allegation by an employee covered by this Agreement or the Association that the County has violated an express provision of this Agreement.

11.2 Section 2 – Representation.

The Association may appoint a primary Nurse representative and one (1) other Nurse representative to act in the absence or in the event of a conflict of the primary Nurse representative.

The Association shall maintain a listing of the primary and alternate representatives and shall insure that the County is furnished with such current listing. The grievant may have the Nurse representative present at any step of the Procedural Steps listed below.

11.3 Section 3 – Procedural Steps.

STEP 1. Written Notice to the Immediate Supervisor.

It is the wish of both parties to this Agreement to settle any complaint in the most expeditious and informal manner possible. Not later than five (5) business days after the event giving rise to the complaint, or five (5) business days after the employee should have learned of the event giving rise to the grievance, whichever is later, the employee must discuss the grievance with the immediate supervisor. The immediate supervisor shall respond in writing to the employee not later than five (5) business days, not including the date of presentation, thereafter.

STEP 2. Written Grievance to Public Health Director.

If the complaint is not settled at Step 1, the employee, not later than five (5) business days, not including the date of written response, after the immediate supervisor's written response is given, shall submit a dated and signed written grievance to the Public Health Director, detailing the alleged contract violations. The immediate supervisor shall give his/her written
answer to the grievance within five (5) business days, not including the date of presentation, after receipt of the grievance.

STEP 3. Written Appeal to the Human Resources Director.
If the grievance is not settled at Step 2, the employee, not later than five (5) business days after receipt of the Public Health Director’s written answer at Step 2, may file a written appeal to that answer to the Human Resources Director. The Human Resources Director, at their option, may meet with the employee and the employee's Nurse representative to discuss the grievance. The Human Resources Director shall give their written answer to the grievance within five (5) business days after receipt of the grievance or after the date of the meeting, whichever is later.

STEP 4. Mediation.
If the decision at Step 3 is unacceptable to either party, it may be referred to a mutually-agreed upon mediator who is a member of a nationally-recognized mediation or conflict resolution association. Each party shall be responsible for paying its own cost of mediation, including the payment of bargaining unit participants. The fees and expenses of the mediator shall be borne equally by the Association and the County.

STEP 5. Arbitration.
If the grievance is not settled after Step 3 or Step 4, either party may, within five (5) business days after either (1) the written answer by the Human Resources Director or their designee or (2) the participation of a mediator at Step 4, have the matter submitted to final and binding arbitration by a third party jointly agreed upon by the County and the Association. If the parties are unable to agree upon an arbitrator, the Oregon State Mediation and Conciliation Services shall be requested to submit a list of seven (7) names. Selection of an arbitrator from the list may be by mutual agreement between the parties or by alternately striking one (1) name each from the list until one (1) name is left. The first strike shall be determined by the flip of a coin. The designated arbitrator shall hear both parties and take testimony and evidence
in a hearing on the disputed matter and shall issue a decision which shall be final and binding on the parties. The arbitrator shall be limited to the interpretation of the provisions of this Agreement in making the decision. Each party shall be responsible for paying the cost of presenting its own case in arbitration, including the payment of witnesses and bargaining unit participants. The fees and expenses of the arbitrator and the hearing room shall be borne equally by the Association and the County. If either party desires a verbatim recording of the proceedings, it may cause such a record to be made, providing it pays for the record and makes a copy available without charge to the arbitrator. If the other party desires a copy, both parties shall jointly share the cost of the transcript and all copies.

11.4 Section 4 – Written Presentation.

All grievances presented in writing shall set forth: the facts giving rise to the grievance; the provision(s) of the Agreement, if any, alleged to have been violated; the names of the aggrieved employee(s); and the remedy sought. All grievances shall be signed and dated by the aggrieved employee. All written answers submitted by the County shall be signed and dated by the appropriate County representative.

11.5 Section 5 – Time Limitations.

The time limitations set forth in this Article are of the essence of this Agreement. No grievance shall be accepted by the County unless it is submitted or appealed within the time limits set forth in this Article. If the grievance is not timely submitted or appealed at any step, it shall be waived. If the grievance is not timely appealed, it shall be deemed to have been settled in accordance with the County answer in Step 1. If the County fails to answer within the time limits set forth in this Article, the grievance shall automatically proceed to the next step. Any time frames may be mutually waived by agreement between the parties.
ARTICLE 12. – PROBATIONARY PERIOD

12.1 Section 1 – Purpose.
The probationary period is an integral part of the employee selection process and provides the County with the opportunity to upgrade and improve efficiency of operation and service to the public by observing a new employee's work, training and aiding new Nurses in adjustment to their positions, and by providing an opportunity to reject any Nurse whose work performance fails to meet required work standards.

12.2 Section 2 – Duration.
Every new Nurse hired into the bargaining unit shall serve a probationary period of six (6) full months. The probationary period may be extended up to an additional six (6) months by mutual agreement between the Nurse, the Association, and the County. Vacation may be used after a six (6) month benefit waiting period.

12.3 Section 3 – Application.
The Association recognizes the right of the County to terminate probationary Nurses for any reason or at any time during the probationary period and to exercise all rights not specifically modified by this Agreement with respect to such employees, including, but not limited to, the shifting of work schedules and job classifications, the assignment of on-the-job-training, cross-training in other classifications, the assignment to educational courses and training programs, the requirements that such Nurses attend training programs on their off-duty time shall be considered time worked.

ARTICLE 13. – COMPENSATION

13.1 Section 1 – Compensation Schedule.
Nurses shall be compensated in accordance with the salary schedule attached to this Agreement and marked Exhibit A, which is hereby incorporated into and made a part of this Agreement. Should a position not listed on the schedule be established, the County shall determine the job requirements, job classification, and recommend a wage level. The
Association will be notified of this action and, upon the Association’s request, shall meet to negotiate a starting wage for the new classification. Effective July 1, 2022, the wage scales shall be UF 28 (OF-01 FT), UF 29 (OF-02 FT) and UF 30 (OF-03 FT) pay scales. Effective July 1, 2023, wages shall be increased by four percent (4%). Effective July 1, 2024, wages shall be increased by four percent (4%). Each full time Public Health Nurse (PHN) shall be advanced one (1) step in the salary schedule on his/her anniversary date. Effective July 1, 2022, Nurses currently employed shall be placed at Step Six (6).

13.2 Section 2 – Payroll.
Salaries of Nurses shall be paid on a schedule determined by the County, currently semi-monthly, as applicable to other County employees. In the event of any payroll schedule change, Nurses will be provided appropriate notice as provided by Oregon law.

13.3 Section 3 – On-Call Pay.
The following On-Call pay schedule shall be in effect for all Nurses: thirty dollars ($30.00) per day when carrying the emergency phone two hundred and ten dollars ($210.00) per week. A Nurse who declines this pay does not give up their rights to accept it in the future.

13.4 Section 4 – Longevity Pay.
Commencing on an employee’s anniversary date employees that are eligible for Longevity Pay will follow the schedule as outlined below.

- After ten (10) years of service – one (1) additional floating holiday.
- After fifteen (15) years of service – an additional one percent (1%) on base pay.
- After twenty (20) years of service – an additional two percent (2%) on base pay.
- After twenty-five (25) years of service – an additional four percent (4%) on base pay.
• After thirty (30) years of service – an additional six percent (6%) on base pay.

13.5 Section 5 – Status.
All ONA Nurses whose FTE is one point zero (1.0) shall, for purposes of the FLSA, be considered exempt, salaried, professional employees. Nurses whose FTE is less than one point zero (1.0) shall be considered non-exempt. Section 13.5 does not apply or change the definitions contained in Article 1.

13.6 Section 6 – Bilingual Pay.
Nurses who are bilingual shall be compensated a five percent (5%) stipend on base salary.

ARTICLE 14. – SAVINGS CLAUSE
Should any Article or portion thereof of this Agreement be held unlawful and unenforceable by any court of competent jurisdiction, such decision of the courts shall apply only to the specific Article, Section, or portion thereof, directly specified in the decisions. Upon the issuance of such a decision, the parties agree immediately to negotiate a substitute, if possible, for the individual Article, Section, or portion thereof.

ARTICLE 15. – TERMINATION OF AGREEMENT
This Agreement shall be effective upon ratification by the Association and the County and shall remain in full force and effect without reopening for further bargaining on any subject which was or might have been raised in collective bargaining, until June 30, 2025. It shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing no later than ninety (90) days prior to June 30, 2025, of its desire to terminate or modify such Agreement, in which event this Agreement shall terminate as of its expiration date unless extended by mutual consent. The Agreement may be amended at any time by mutual agreement by the County and the Association. Any such amendment shall be in writing and signed by both parties.
ARTICLE 16. – NEGOTIATING TEAM

The Association negotiating team will be limited to two (2) representatives from the bargaining unit who will be entitled to participate in all negotiating sessions without loss of pay. An alternate representative may be named by the Association to serve as a back-up, but no more than two (2) representatives shall participate in negotiating sessions or other labor-management business sessions. Both parties recognize that cases of emergent or extenuating circumstances could require flexibility in representative participation.

ARTICLE 17. – SENIORITY, LAYOFF & RECALL

17.1 Section 1 – Employment seniority.

Employment seniority is defined as the length of time the employee has been continuously employed in the County.

17.2 Section 2 – Continuous employment.

Continuous employment is defined as uninterrupted full or half time service in the County.

18.1 Section 1 – Causes for Discipline.
An employee who has successfully completed the probationary period as defined in this Agreement, shall not be disciplined, or discharged without just cause. Disciplinary action shall be accomplished in a manner which affords the employee the most protection possible from embarrassment before other employees or the public. Dependent upon the nature of the incident(s) giving rise to such disciplinary action or measure, disciplinary action or measure shall be progressive in nature, commensurate with the offense. Discipline shall include the following steps: oral reprimand, written reprimand, suspension, and/or discharge. More serious offenses may warrant a suspension or discharge at the first occurrence.

The employee and his/her Association representative, unless the employee requests otherwise, will be immediately notified in writing that the employee has been issued a disciplinary action. Such notification shall state in detail the nature of the alleged offense and shall include dates, locations, and other corroborative details.
The Association shall have the right to take up an action of suspension and/or discharge in accordance with the Grievance Procedure provided the Nurse has successfully completed the probationary employment period.
