Nurse Staffing: Share Your Story

You play a critical role at the bedside but your stories and concerns rarely get told. Let’s change that.

Even before the COVID-19 pandemic, you were under tremendous pressure due to staffing shortages. CEOs put profits ahead of patients despite warnings from researchers and frontline nurses. Those shortages have pushed many nurses to leave the field, led to violence in your workplace and caused unnecessary mental trauma.

Your stories about unsafe staffing will help move hearts and minds of lawmakers so we can pass new laws to raise staffing standards at healthcare facilities across Oregon.

Take a few minutes to write down your story and submit it to www.oregonrn.org/nursingstories
