THIS WEEK'S ACTION: Tell GSRMC Administration How to DO BETTER in 2020

This week’s ONA action is to write New Year's Resolutions for GSRMC Administration. As employees, we are the ones GSRMC should be taking advice from regarding how to be a better employer in 2020. Tell us:

- How can GSRMC be a better employer?
- How can they support nurses and other front line staff in providing excellent care to our community?
- What do they need to do to begin rebuilding a sense of trust with their employees?

Text your resolution to ONA at 503-807-0156, or post your resolution on our bargaining unit Facebook page. You are also welcome to submit resolutions on behalf of your shift/unit.

Mediation Day Unity Event, Tuesday, Jan. 21

Your participation in this unity break helps us demonstrate to GSRMC administration that we are united behind our ONA Team as we return to the table.

Mediation Day Unity Event
Tuesday, Jan. 21
Candlelight Vigil for a Fair Contract, Wednesday, Jan. 22

So far, Jan. 21 is our only scheduled day of mediation. If we do not reach a fair tentative agreement during that session, we will peacefully gather outside the hospital to shed light on the true cost of GSRMC administration’s failure to address concerns that ONA nurses, caregivers, and other staff have raised about insufficient staffing, rising health insurance costs, and employee burnout.

Save the Date: Candlelight Vigil for a Fair Contract
Wednesday, Jan. 22
5:30-6:30 p.m.
(Outside the main entrance of GSRMC)

During this somber event, we invite our colleagues, family, friends, and community allies to stand with us in support. Plan to be there and spread the word far and wide.

To RSVP, text 503-807-0156 or find the event link on our bargaining unit Facebook page.
