BENTON COUNTY NURSES BARGAINING UPDATE: ONE

WHAT IS INTEREST BASED BARGAINING?

With Interest Based Bargaining, both sides mutually work on solving the issues together, instead of taking an adversarial approach. This means, looking outside of the box for solutions and more dialogue between the Employer and the Association. It also builds better relationships for when bargaining is concluded and may be used in every workday issues.

Our Bargaining Team has met twice with the employer and facilitator, April 1 and April 7. We have worked on ground rules, clarified the issues, and requested data information.

We went over the data supplied by the employer April 7. Mary Otley from Accounting, also attended to explain the benefit costs and answer questions. Our Team has a lot of information to share and need the Bargaining Unit's input. We have schedule a Bargaining Unit Meeting on April 21, 2011, at 5:00 p.m. at the PSB building.
