Workplace Bullying Assessment/Quiz

Based upon the Workplace Aggression Research Questionnaire (WAR-Q)
March 24, 2008

Instructions: This is a screening test to help you determine whether you might have been involved in workplace aggression or bullying. Use this assessment to determine if you’re a victim of bullying. Occasional insults don’t count. Bullying occurs when the behavior has occurred consistently during the past six months. Circle the number that corresponds to each answer. After answering all the questions, add up all circled numbers; this total is your assessment score.
