This Agreement is entered into by Klamath County, Oregon, hereinafter referred to as the "County", and the Oregon Nurses Association, hereinafter referred to as the "Association". Unless indicated otherwise, references to the "Employer" or "County" herein shall include the Board of County Commissioners and the Director of the Public Health Department of Klamath County as the officials responsible to the citizens of the County for operation of the department covered by this Agreement.

The purpose of this Agreement is to set forth those matters pertaining to the rates of pay, hours of work, fringe benefits, and other matters directly related to employment of registered nurses in the bargaining unit covered by this Agreement.

The parties both agree as follows:

ARTICLE 1. RECOGNITION

The County recognizes the Association as the sole and exclusive bargaining agent for the purposes of establishing salaries, wages, hours, and other conditions of employment for all of its registered nurses employed on a regular full-time or half-time (1,560hours to 1,949 hours per year) basis within the Klamath County Public Health Department, excluding registered nurses employed on an irregular part-time (1,039-559 hours or less per year), on-call, or temporary/seasonal basis and supervisors as defined in ORS 243.650(23).

For purpose of this Agreement, the following definitions apply:

Section 1.1 Regular Full-Time: A regular full-time employee shall be an employee who is hired into, appointed to, or currently occupies a position that is authorized, budgeted, and designated by the County as a regular full-time position. Such a regular full-time position will normally be scheduled to work 37.5 to 40 hours per week, providing that, nothing in this Agreement shall constitute a guarantee of any number of hours per day, per week, nor per year.

Section 1.2 Regular Half-Time: A regular half-time employee shall be an employee who is hired into, appointed to, or currently occupies a position that is authorized, budgeted, and designated by the County as a regular half-time position. Such regular half-time position will normally be scheduled to work at least 30 and less than 37.5 hours per week. Such regular half-time employee shall be considered a member of the bargaining unit covered by this Agreement and shall be entitled to employer paid benefits on a prorated basis based on their FTE; with the exception of the medical contribution amount. Employees that are a .75 FTE or greater shall receive the medical contribution amount equivalent to a full-time employee. For example, a 0.60 FTE employee would receive 60% benefits.

ARTICLE 2. ASSOCIATION MEMBERSHIP

Section 2.1 Membership or non-membership in the Association shall be the individual choice of employees covered by this Agreement. The County will provide in writing, with the enrollment form and of their union dues obligation under this clause and obtain a signed union dues deduction authorization form. The Human Resources Department will provide a 15 minute opportunity for a nurse representative to communicate with new hires within thirty days. If a nurse elects to join the Association, the Association representative will provide the Human Resources Department with the signed union
dues deduction, which will be placed in the nurse’s personnel file. This signed union dues deduction form will be placed in the Nurse personnel file and a copy will be mailed to the ONA. Such payment shall be equal to and shall in no event exceed periodic dues uniformly required. Should such “fair share” be declared unlawful under Oregon law by a court of competent jurisdiction the preceding sentence shall be inoperative. The County agrees that no disciplinary or other action will be taken by the County against employees covered by this Agreement by reason of action or conduct as provided in this Article. Nurses who are not compliant after thirty (30) calendar days from their date of hire shall be suspended from the work schedule until they are in compliance with the contract. All Nurses shall maintain membership or pay fair share while employed by Klamath County.

Section 2.2 The County agrees to continue to deduct from the paycheck of each employee who has so authorized it, the regular monthly Association membership dues uniformly required of members of the Association. Payment in-lieu of dues will be deducted from the paycheck of each nurse who has not elected to pay dues. The amounts deducted shall be transmitted monthly to the Association on behalf of the employees involved. Authorization for deduction of dues shall be in writing, signed by the employee on forms furnished by the County and may be revoked by the employee upon written request. It is the employee’s responsibility to ensure the authorization forms are returned to the Human Resources Department within the first ten (10) days of employment. Failure to do so may result in back payment of dues accordingly. The performance of this service is at no cost to the Association. The employee must submit, in writing, any change in membership status to the ONA Membership Coordinator at the following address:

Oregon Nurses Association

ARTICLE 3. MANAGEMENT RIGHTS

The County retains all the customary, usual, and exclusive rights, decision-making, prerogatives, functions, and authority connected with or in any incident to its responsibility to manage the affairs of the County or any part of it. A training plan will be developed by the bargaining unit nurses and their supervisor and submitted for approval by the Director of Public Health on a semi-annual basis. This cooperatively developed Plan will ensure that the professional development of each nurse and the mission of the County will be served to the optimum. Normally, dollar amounts dedicated in this area shall be limited to a reasonable amount based upon the course or subject, as defined by the County, and shall attempt to be inclusive of all nurses so that all nurses have an equal opportunity to benefit from such programs.

Section 9.9 Reimbursement. The County shall pay all costs associated with such approved educational leave. Additionally, the County will reimburse expenses in accordance with the County reimbursement policy.

This shall follow the County’s Donation policy in the Human Resources Policy and Procedures Manual.

Normally, this occurs as a result of serious illness or injury of an employee causing them to exhaust all of his/her benefit time and other employees in the same workgroup wish to donate some time to provide financial assistance. A serious illness or injury normally requires daily or continuing treatment as certified by a health care provider. A serious illness does not include pregnancy, birth or an adoption.

The following limitations apply to donation:

- Donated time must be earned, banked vacation or sick time. No other benefit time may be donated.

- An employee may donate a combined maximum of 40 vacation and sick hours per calendar year; however, the amount donated at any one time may not reduce the employee's vacation or sick bank by 50% or more.

- Once the time is donated to a receiving employee they are only available for use by that employee. At no time will the unused donated hours revert back to a donating employee.

- The donated time does not have any cash out value should the employee receiving the donation end their employment with Klamath County prior to their use of all donated time.
Employees that have exhausted their leave banks shall not solicit other employees for time donations.

Requests for donation should be submitted to the Department Head in writing and, if approved, then forwarded to the Director of Human Resources for review. Final approval of the donation will be made by the Board of County Commissioners. The decision of the Board shall be binding.

ARTICLE 10. HEALTH, WELFARE AND RETIREMENT

The County will not duplicate premiums paid in the event an employee and his/her spouse are both employed and are eligible for coverage. In such event, monthly payments shall be paid only on behalf of one eligible employee, the other employee being designated as a dependent for health insurance. Effective July 1, 2019 the County will continue to pay, on behalf of each eligible employee, a premium payment for single or family coverage, whichever is applicable, of the Major Medical plan toward the premium of the health, dental, and vision insurance plans up to a maximum of $1,005,001.300.00, whichever is less. If the provision of the Affordable Care Act known as the Cadillac Tax negatively impacts either party, the parties agree to reopen this Article to bargain the impact.

Section 10.2 Retirement. The County agrees to enroll each eligible and qualified employee in the Klamath County Employees’ Pension Plan (Plan) and pay the employer’s contribution. Eligibility for retirement under the Plan shall be age sixty two (62) or at age sixty (60) with unreduced benefits.

The County agrees to maintain the benefits provided in its existing retirement Plan, providing for new enrollees to start participation on the first day of the month following the date of hire. Effective July 1, 2007 the County will pay 1% of gross salary into each eligible employee’s participant account in addition to the 6% paid by the employee. New employees will be enrolled in the new retirement plan.

Section 10.3 Reimbursement for Required Physical Examination.

10.3.1 At the beginning of employment, the County shall ensure that nursing staff are screened for exposure to Mycobacterium tuberculosis in accordance with the Oregon OSHA standards and CDC guidelines for facility risk classification. Nurses without documentation of previous positive tests or treatment for latent TB infection shall be provided the recommended baseline
testing for TB infection, at employer’s cost. A chest x-ray shall also be provided at no cost when so indicated by documented results and in accordance with current standards and guidelines.

After baseline testing and documentation occurs, additional annual TB screening shall be provided to nurses according to the Department’s current TB risk classification, at no cost to the nurse. **Klamath County reserves the right for additional testing.**

10.3.2 Laboratory examinations, when indicated because of exposure to communicable diseases, shall be provided by the County, without cost to the nurse.

10.3.3 The County shall arrange to provide Hepatitis B vaccine with pre and post screening upon employment to nurses covered by this Agreement at no cost to the nurse.

**ARTICLE 11. GRIEVANCE AND ARBITRATION**

**Section 11.1 Definition of Grievance.** A grievance is an allegation by an employee covered by this Agreement or the Association that the County has violated an express provision of this Agreement.

**Section 11.2 Representation.** The Association may appoint a primary nurse representative and one other nurse representative to act in the absence or in the event of a conflict of the primary nurse representative. **At no point should more than one (1) representative be allowed.** The Association shall maintain a listing of the primary and alternate representatives and shall insure that the County is furnished with such current listing. The grievant may have the nurse representative present at any step of the Procedural Steps listed below.

**Section 11.3 Procedural Steps.**

**STEP 1. Oral Written Notice to the Immediate Supervisor.** It is the wish of both parties to this Agreement to settle any complaint in the most expeditious and informal manner possible. Not later than three five (35) workdays business days after the event giving rise to the complaint, or three five (35) business days after the employee should have learned of the event giving rise to the grievance, whichever is later, the employee must discuss the grievance with the immediate supervisor. The immediate supervisor shall orally respond in writing to the employee not later than three five (35) workdays business days, not including the date of presentation, thereafter.

**STEP 2. Written Grievance to Immediate Supervisor–Director.** If the complaint is not settled at Step 1, the employee, not later than fivethree (35) working days business days, not including the date of oral response from step 1, after the immediate supervisor’s oral written response is given, shall submit a dated and signed written grievance to the Public Health Director, detailing the alleged contract violations, to the immediate supervisor. The immediate supervisor/Public Health Director shall give his/her written answer to the grievance within fivethree (35) working days business days, not including the date of presentation, after receipt of the grievance.
**STEP 3. Written Appeal to the Director of the Department of Public Health/Human Resources**

If the grievance is not settled at Step 2, the employee, not later than five (5) working days/business days after receipt of the immediate supervisor’s written response/answer at Step 2, may file a written appeal to that answer to the Director of Human Resources/Public Health Director. The Director of Public Health/Human Resources Director, at his/her option, may meet with the employee and the employee’s nurse representative to discuss the grievance. The Director of Public Health/Human Resources Director shall give his/her written answer to the grievance within five (5) working days/business days after receipt of the grievance or after the date of the meeting, whichever is later.

**STEP 4. Board of Adjustment.** If the decision at Step 3 is unacceptable to either party, it may be referred to a Board of Adjustment by written notice served by the moving party within five (5) business days of the decision at Step 3. The Board of Adjustment shall consist of four (4) disinterested members. Disinterested members are defined as individuals who are not related to the grievant, not employed by the Associations, not employed in the same department as the grievant, and who have the ability to review the issue in a truly balanced manner, as determined by the county and the Association. The Association shall submit a list of the names of two (2) neutrals. The County shall also submit a list of names of two (2) neutrals. The Board of Adjustment shall conduct such investigation or hearing as is deemed necessary and render a decision within ten (10) business days of the formation of the Board of Adjustment and the presentation of the dispute for its hearing. The majority of the Board of Adjustment shall determine the matter and such decision shall be final and binding on all parties: the Association, the grievant(s), and the County.

The authority of such a Board of Adjustment shall be limited to an interpretation of the relevant provisions of this Agreement as it applies to the case presented: the Board shall not have the authority to modify the agreement. Each member of the Board of Adjustment shall be entitled to one (1) vote.

**STEP 5. Arbitration.** If the grievance is not settled after Step 3, either party may, within five (5) working days/business days after the written answer by the Director of Public Health or his/her designee/decision of the Board of Adjustment, have the matter submitted to final and binding arbitration by a third party jointly agreed upon by the County and the Association. If the parties are unable to agree upon an arbitrator, the Oregon State Mediation and Conciliation Services shall be requested to submit a list of seven (7) names. Selection of an arbitrator from the list may be by mutual agreement between the parties or by alternately striking one name each from the list until one name is left. The first strike shall be determined by the flip of a coin. The designated arbitrator shall hear both parties and take testimony and evidence in a hearing on the disputed matter and shall issue a decision which shall be final and binding on the parties. The arbitrator shall be limited to the interpretation of the provisions of this Agreement in making the decision. Each party shall be responsible for paying the cost of presenting its own case in arbitration, including the payment of witnesses and bargaining unit participants. The fees and expenses of the arbitrator and the hearing room shall be borne equally by the Association and the County. If either party desires a verbatim recording of the proceedings, it may cause such a record to be made, providing it pays for the record and makes a copy available without charge to the arbitrator. If the other party desires a copy, both parties shall jointly share the cost of the transcript and all copies.

**STEP 1. Written Notice to the Immediate Supervisor.** It is the wish of both parties to this Agreement to settle any complaint in the most expeditious and informal manner possible. Not later than five (5) business days after the event giving rise to the complaint, or five (5) business days after the employee should have learned of the event giving rise to the grievance, whichever is later, the employee must discuss the grievance with the immediate supervisor. The immediate supervisor shall respond in writing to the employee not later than five (5) business days not including the date of presentation, thereafter.
STEP 2. Written Grievance to Public Health Director. If the complaint is not settled at Step 1, the employee, not later than five (5) business days, not including the date of written response, after the immediate supervisor's written response is given, shall submit a dated and signed written grievance to the Public Health Director, detailing the alleged contract violations. The immediate supervisor shall give his/her written answer to the grievance within five (5) business days, not including the date of presentation, after receipt of the grievance.

STEP 3. Written Appeal to the Human Resources Director. If the grievance is not settled at Step 2, the employee, not later than five (5) business days after receipt of the Public Health Director's written response answer at Step 2, may file a written appeal to that answer to the Human Resource Director. The Human Resources Director, at their option, may meet with the employee and the employee's nurse representative to discuss the grievance. The Human Resources Director shall give their written answer to the grievance within five (5) business days after receipt of the grievance or after the date of the meeting, whichever is later.

Step 4. Mediation. If the decision at Step 3 is unacceptable to either party, it may be referred to a mutually-agreed upon mediator who is a member of a nationally-recognized mediation or conflict resolution association. Each party shall be responsible for paying its own cost of mediation, including the payment of bargaining unit participants. The fees and expenses of the mediator shall be borne equally by the Association and the County.

STEP 5. Arbitration. If the grievance is not settled after Step 3 or Step 4, either party may, within five (5) business days after either (1) the written answer by the Human Resources Director or their designee or (2) the participation of a mediator at Step 4, have the matter submitted to final and binding arbitration by a third party jointly agreed upon by the County and the Association. If the parties are unable to agree upon an arbitrator, the Oregon State Mediation and Conciliation Services shall be requested to submit a list of seven (7) names. Selection of an arbitrator from the list may be by mutual agreement between the parties or by alternately striking one name each from the list until one name is left. The first strike shall be determined by the flip of a coin. The designated arbitrator shall hear both parties and take testimony and evidence in a hearing on the disputed matter and shall issue a decision which shall be final and binding on the parties. The arbitrator shall be limited to the interpretation of the provisions of this Agreement in making the decision. Each party shall be responsible for paying the cost of presenting its own case in arbitration, including the payment of witnesses and bargaining unit participants. The fees and expenses of the arbitrator and the hearing room shall be borne equally by the Association and the County. If either party desires a verbatim recording of the proceedings, it may cause such a record to be made, providing it pays for the record and makes a copy available without charge to the arbitrator. If the other party desires a copy, both parties shall jointly share the cost of the transcript and all copies.

Section 11.4 Written Presentation. All grievances presented in writing shall set forth: the facts giving rise to the grievance; the provision(s) of the Agreement, if any, alleged to have been violated; the names of the aggrieved employee(s); and the remedy sought. All grievances shall be signed and dated by the aggrieved employee. All written answers submitted by the County shall be signed and dated by the appropriate County representative.

Section 11.5 Time Limitations. The time limitations set forth in this Article are of the essence of this Agreement. No grievance shall be accepted by the County unless it is submitted or appealed within the time limits set forth in this Article. If the grievance is not timely submitted or appealed at any step, it shall be waived. If the grievance is not timely appealed, it shall be deemed to have been settled in accordance with the County answer in Step 12. If the County fails to answer within the time limits set forth in this Article, the grievance shall automatically proceed to the next step. Any time frames may be mutually waived by agreement between the parties.
ARTICLE 12. PROBATIONARY PERIOD

Section 12.1 Purpose. The probationary period is an integral part of the employee selection process and provides the County with the opportunity to upgrade and improve efficiency of operation and service to the public by observing a new employee's work, training and aiding new nurses in adjustment to their positions, and by providing an opportunity to reject any nurse whose work performance fails to meet required work standards.

Section 12.2 Duration. Every new nurse hired into the bargaining unit shall serve a probationary period of six (6) full months. The probationary period may be extended up to an additional six (6) months by mutual agreement between the nurse, the Association, and the County. Sick leave and vacation may be used after a six (6) month benefit waiting period during the extension of the probationary period.

Section 12.3 Application. The Association recognizes the right of the County to terminate probationary nurses for any reason or at any time during the probationary period and to exercise all rights not specifically modified by this Agreement with respect to such employees, including, but not limited to, the shifting of work schedules and job classifications, the assignment of on-the-job-training, cross-training in other classifications, the assignment to educational courses and training programs, the requirements that such nurses attend training programs on their off-duty time shall be considered time worked.

ARTICLE 13. COMPENSATION

Section 13.1 Compensation Schedule. Nurses shall be compensated in accordance with the salary schedule attached to this Agreement and marked Exhibit BA, which is hereby incorporated into and made a part of this Agreement. Should a position not listed on the schedule be established, the County shall determine the job requirements, job classification, and recommend a wage level. The Association will be notified of this action and, upon the Association's request, shall meet to negotiate a starting wage for the new classification. Effective July 1, 2019, wages shall be increased by two percent (2%). Effective July 1, 2020, wages shall be increased by two percent (2%). Effective July 1, 2021, wages shall be increased by two percent (2%). Each full time Public Health Nurse (PHN) shall be advanced one step in the salary schedule on his/her anniversary date.

Section 13.2 Payroll. Salaries of nurses shall be paid on a schedule determined by the County, currently semi-monthly, as applicable to other County employees. In the event of any payroll schedule change, nurses will be provided appropriate notice as provided by Oregon law.

Section 13.3 On-Call/Pager Pay. Effective on the Contract Ratification Date the following On-Call pay schedule shall be in effect for all nurses: $30.00 per day when carrying the emergency phone ($210.00 per week).

Section 13.4 Longevity Pay. Commencing on an employee’s anniversary date employees that are eligible for Longevity Pay will follow the schedule as outlined below.

After 10 years of service – 1 (one) additional floating holiday
After 15 years of service – an additional 1% on base pay
After 20 years of service – an additional 2% on base pay

After 30 years of service – an additional 6% on base pay

Section 13.5 Status. All ONA nurses whose FTE is 1.0 shall, for purposes of the FLSA, be considered exempt, salaried, professional employees. Nurses whose FTE is less than 1.0 shall be considered non-exempt. Section 13.5 does not apply or change the definitions contained in Article 1.

Section 13.6 Bilingual Pay. Nurses who are bilingual shall be compensated a 5% stipend on base salary.

ARTICLE 14. SAVINGS CLAUSE

Should any Article or portion thereof of this Agreement be held unlawful and unenforceable by any court of competent jurisdiction, such decision of the courts shall apply only to the specific Article, Section, or portion thereof, directly specified in the decisions. Upon the issuance of such a decision, the parties agree immediately to negotiate a substitute, if possible, for the individual Article, Section, or portion thereof.

ARTICLE 15. TERMINATION OF AGREEMENT

This Agreement shall be effective upon ratification by the Association and the County and shall remain in full force and effect without reopening for further bargaining on any subject which was or might have been raised in collective bargaining, until June 30, 2019-2022. It shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing no later than ninety (90) days prior to June 30, 2019-2022, of its desire to terminate or modify such Agreement, in which event this Agreement shall terminate as of its expiration date unless extended by mutual consent.

The Agreement may be amended at any time by mutual agreement by the County and the Association. Any such amendment shall be in writing and signed by both parties.

ARTICLE 16. NEGOTIATING TEAM

The Association negotiating team will be limited to two (2) representatives from the bargaining unit who will be entitled to participate in all negotiating sessions without loss of pay. An alternate representative may be named by the Association to serve as a back-up, but no more than two (2) representatives shall participate in negotiating sessions or other labor-management business sessions. Both parties recognize that cases of emergent or extenuating circumstances could require flexibility in representative participation.

ARTICLE 17. SENIORITY, LAYOFF & RECALL

Section 17.1 Employment seniority is defined as the length of time the employee has been continuously employed in the County.
Section 17.2 Continuous employment is defined as uninterrupted full or half time service in the County.

Section 17.4 In the event of layoff, the least senior nurse shall be laid off first based on total hours worked. A nurse whose position has been eliminated or has been laid off by the County, shall be given the opportunity to displace a less senior nurse, provided he/she possesses the necessary skills and ability to perform the duties of the position. Medical benefits shall be provided during the first thirty (30) days of layoff.

Section 17.5 Layoff and recall procedures will be implemented on ONA bargaining unit seniority.

Section 17.6 In the event of subsequent reinstatement, recall shall be in reverse order of layoff, i.e., the last nurse laid off will be the first reinstated.

Section 17.7 Employees shall not be laid off unless they have received written notice at least thirty (30) days before their layoff date. Either party may propose meetings to consider work sharing or other alternatives to a contemplated layoff.

Section 17.11 Nurses recalled from layoff shall not forfeit previously accumulated seniority, vacation accrual rate, sick leave, educational benefits, or holidays up to the date of layoff. A nurse may choose to be paid for accrued vacation on the date of layoff or at the termination of seniority. No benefits, except as provided under COBRA, shall accrue during a layoff of more than thirty (30) working days.

ARTICLE 18. DISCIPLINE AND DISCHARGE

Section 18.1 Causes for Discipline. An employee who has successfully completed the probationary period as defined in this Agreement, shall not be disciplined or discharged without just cause. Disciplinary action shall be accomplished in a manner which affords the employee the most protection possible from embarrassment before other employees or the public. Dependent upon the nature of the incident(s) giving rise to such disciplinary action or measure,
disciplinary action or measure shall be progressive in nature, commensurate with the offense. Discipline shall include the following steps: oral reprimand, written reprimand, suspension, and/or discharge. More serious offenses may warrant a suspension or discharge at the first occurrence, as determined at the County’s sole discretion.

The employee and his/her Association representative, unless the employee requests otherwise, will be immediately notified in writing that the employee has been suspended or discharged, issued a disciplinary action. Such notification shall state in detail the nature of the alleged offense and shall include dates, locations, and other corroborative details.

The Association shall have the right to take up the action of suspension and/or discharge in accordance with the Grievance Procedure provided the nurse has successfully completed the probationary employment period.

An employee found to be unjustly suspended or discharged shall be reinstated with full compensation for all lost time and with full restoration of all other rights and conditions of employment as determined by the arbitrator or neutral who so found the employee unjustly disciplined.

At the request of the nurse, the employer shall furnish a certified copy of such records. The County may make a reasonable charge, as provided by ORS and County policy, for any copies furnished to the nurse.
