      Effective July 1, 2022, employees shall be compensated in accordance with the wage schedule attached to this Agreement as Addendum A, subject to the Memorandum of Agreement signed by the parties titled “COLA Implementation”, which by this reference is incorporated herein. Said schedule reflects a three point six five percent (3.6%) increase over the wage rates in effect as of June 30, 2022, except that the schedule reflects an additional four percent (4.0%) increase for Community Health Nurses (CHNs), for a total CHN wage increase of nine percent (9.0%).

      Effective July 1, 2023, the rates and ranges of employees covered by this Agreement shall be increased by the percentage increase in the West-Size A Consumer Price Index for Urban Wage Earners and Clerical Workers Index for the second half 2021 to the second half 2022. The minimum percentage increase shall be no less than one percent (1%) and the maximum percentage increase no more than five percent (5.0%).

D. Market Adjustments

Effective July 1, 2024, the pay rates by classification will be adjusted if the County rates fall below market average by one and one half percent (1.5%) or more.

Market average is defined as:

1. Comparables are: Clackamas County (Employee Association Bargaining Unit pay rates), Washington County, King County, OHSU, Portland VA Hospital, and Virginia Garcia.

2. Comparable market rates shall be by classification, comparing Multnomah LPN, CHN and NP classifications with comparables positions that are similar in duties, responsibilities and educational requirement. PA wage rates shall be tied to NP wage rates.

3. Midpoint is the midpoint between Step One (1) and the Pay Rate at ten (10) Years of Service.

4. Market adjustment shall be the addition of one (1) step at the top of the pay range and the deletion of one (1) step at the entry level of the pay range. Step adjustment at the top of the range shall be three percent (3%) higher than the top step.

5. Step Placement

Employees shall be placed on the new pay scale at a step that matches their pay on June 30th unless an employee’s anniversary date falls on July 1st, in which case they shall be eligible for a step increase on July 1st, otherwise employees will be eligible for a step increase on their anniversary date. Health Department employees shall not be maintained on a step that is lower than where they would be placed as an incoming New Hire under the Health Department Criteria for Hiring. In no event will employees be paid less than step 1.
Employees who are at the top step of the salary range and have not received a step increase for at least twelve (12) months shall have a reset anniversary date for purposes of wage adjustments of July 1st.

6. Comparable pay rates shall be pay rates effective January 1, 2024 of the market review year, taking into consideration delayed implementation subject to finalize wage rates which are subject to such actions as contract negotiations/finalized salary studies. Multnomah County pay rate for purposes of comparison shall include appropriate July 1, 2024 CPI adjustment.

Example: January 1, 2024, the County shall by classification (LPN, CHN and NP) collect January 1, 2024 wage data from the comparables. Once the County has compiled finalized January 1, 2024 wage rates and it is found that the CHN wage July 1, 2024 wage rate is below the midpoint of comparables by one and one half percent (1.5%) or more the County CHN classification effective July 1, 2024 shall have a step adjustment as outlined in Section 1.D.5. above.

2. Shift Differential

The County agrees to pay the following shift premium in addition to the established hourly wage rate:

A. Upon ratification of this agreement by the parties, an hourly premium of two dollars and twenty-five cents ($2.25) ($2.00) for all hours worked on shifts beginning between the hours of twelve (12:00) noon and seven-sixty-nine (7:00-6:59) p.m.; or

B. An hourly premium of five dollars and fifty cents ($5.50) ($5.00) for all hours worked on shifts beginning between the hours of seven (7:00) p.m. and six-five-fifty-nine (6:00-5:59) a.m.

C. In circumstances where an employee works an overtime shift in conjunction with their regular shift worked, the overtime shift will be paid with the shift differential of the overtime shift. In circumstances of night shift to day shift, the day shift hours worked will be paid with the night shift differential in addition to applicable overtime pay.

3. Work in a Higher Classification
Whenever an employee must be replaced by another employee(s) for a period of four (4) shifts within a thirty (30) day period and such employee(s) assigned to perform the work is normally assigned to work in a lower classification, that employee(s) will be paid for all shifts worked at the rate assigned to the higher classification in the appropriate step according to the promotional policy, if the employee(s) in fact performs a majority of the principal duties of the higher classification. Provided, further, however, that the amount of payment for acting as temporary supervisor shall be in accordance with existing practice.

Employees who regularly work on a part-week basis in a higher classified job will be paid the higher rate for all hours worked in such assignment.

4. **Overtime**

   A. Where operational circumstances permit, all overtime shall be by prior approval by the authorized supervisor or assigned designee, or evaluated, if appropriate, and approved later. Unauthorized and inappropriate overtime may result in disciplinary action. The employer shall ensure that nurses assigned to see clients in clinics have a means to request authorization to work overtime. The opportunity to make such request shall be made no sooner than the last hour of the regularly scheduled clinic day and not later than fifteen (15) minutes prior to the end of the day. In lieu of such opportunity, the employer may, at its discretion, issue standing orders to govern requests, in lieu of a daily request system, so long as the rule provides the employee clear guidance as to whether overtime is or is not authorized.

   When overtime is worked, employees will be compensated at the rate of one and one-half (1.5) times their normal hourly rate of pay for additional time worked as follows:

   1. In excess of eight (8) hours in any work day for a five (5)-day-a-week employee;
   2. In excess of ten (10) hours in any work day for a four (4)-day-a-week employee;
   3. In excess of forty (40) hours in any work week.
4. In excess of twelve (12) hours in any work day for employees working twelve (12) hour shifts pursuant to an agreement conforming with Article 15, Section (7).

The management of each unit shall develop a standard process for the assignment of all overtime, both mandatory and voluntary. Each unit shall make available its process for the assignment of overtime in the unit.

B. All work performed on an employee's scheduled second or third day of rest will be paid at the rate of two (2) times the employee's regular rate of pay, provided the employee has worked on the first day of rest.

C. Mandatory Overtime

Employees may sign up or volunteer for overtime shifts offered by the work unit. It is the desire of the parties that employees have at least twelve (12) hours of rest between shifts, but when mandatory overtime shifts become necessary the four (4) hours of mandated work beyond the twelve (12) hours are paid at two times their rate of pay. A standard procedure is followed before mandatory shifts are instituted. The County will provide at least three (3) hours advance notice before mandating overtime shifts, when the staffing need is known more than three (3) hours in advance. If the County identifies available alternative coverage, the employee initially mandated shall have the option of either working or declining the overtime shift. The employee's position on the Mandated Overtime List shall only change if they elect to work the mandated overtime shift.

D. If the employer and employee voluntarily agree in advance that the employee will work longer hours one (1) day and offset them on an hour for hour basis by shorter hours on a work day in the same work week as provided by Article 15, Section 1, Subsection D above, no time worked on the longer work day is deemed overtime for pay purposes. If such agreement is not made and implemented, regular overtime rules under Article 16, section 4, subsection A above apply.

E. Compensatory Time

If consistent with the needs of the County, an employee may elect time off from work in lieu of overtime pay. In such case, the employee shall receive one and one-
half (1.5) hours off or two (2) hours off for each hour of overtime worked, depending upon and determined by the rate at which the employee would otherwise be paid for overtime in accordance with subsection (A) and (C) of this section. Compensatory time off may be accumulated up to two-hundred-forty (240) hours.

**F.** Employees shall have ten (10) hours of rest after the end of one (1) regular and mandatory shift (two (2) consecutive shifts) and the commencement of their next regularly scheduled shift. Employees who are ordered vs scheduled to return to their next regularly scheduled shift without ten (10) hours of rest shall be paid one and one half (1 ½) times their regular base rate of pay for all hours worked on their next regularly scheduled shift. This pay is in addition to any other premium pay/shift differential for which the employee qualifies.

Employees who exercise the option of having ten (10) hours of rest before the beginning of their next regularly scheduled shift may charge the first two (2) hours of their shift to vacation, personal holiday or leave without pay. This section does not apply to employees who voluntarily return with less than ten (10) hours between their shifts.

**5. Standby and Call-Back Pay**

**A. Stand-by**

Such employees are guaranteed a minimum credit of three (3) hours' work for each occasion on which they are called in. In the event an employee is unable to use earned compensatory time, then the employee shall receive payment for the unused compensatory time at the overtime rate earned.

Employees on stand-by duty who take a phone call at home shall be paid at their regular rate of pay in fifteen (15) minutes increments. If a person giving advice by phone...
talks for ten (10) minutes the employee shall be paid for fifteen (15) minutes. If a person
giving advice by phone talks for twenty-five (25) minutes the employee shall be paid for
thirty (30) minutes, etc. Multiple calls less than fifteen (15) minutes between the end of
the 1st and beginning of the 2nd (or more) calls will be considered one (1) call.

having left the County facilities. It shall not include work performed immediately prior to
or immediately after the regular daily work shift.

B. Call-Back

An employee not on standby who is called back to work on any day other
than the employee’s regularly scheduled work day shall be paid a minimum of four (4)

entitled to mileage reimbursement, the difference in mileage to and from their regular
work site and the alternate work site, if reporting directly from home to the alternate work
site is a further distance.

employees’ and fifty thirty-five dollars ($50.00) ($35.00) for part-time employees’ mileage
