Re: BARGAINING BEGINS WEDNESDAY, Jan 13 - Please join us on Zoom!

Our bargaining team has been working hard for more than a year preparing to bargain with our employer. Last year our efforts were sidelined by the pandemic. Nonetheless, we successfully negotiated a 3.5 percent wage increase in a six-month extension (or rollover) contract.

This year, we have heard loud and clear from nurses that wages, especially an across the board increase, is your number one priority in bargaining. We have prepared an aggressive set of proposals, which we will present to the employer on Wednesday. Afterward, we will release them to everyone.

We need you to support our team by observing our bargaining session. The single most important action nurses can take is to show up! This year we are negotiating via Zoom. Observing nurses must mute themselves.

Please drop in for a few minutes or for as much time as you can. We will ask you to identify yourself and your department.

Join us on Wednesday, January 13, 10:30 a.m. – 5:00 p.m.

Demonstrate our unity and your commitment to our team by calling or logging into Zoom. Encourage your colleagues to join too!
