McKenzie-Willamette Executive Committee Election Results

Thank you to the 77 nurses who turned out to vote in our executive committee election! Voting has closed at 9 a.m. this morning. We have 347 dues-paying members in our bargaining unit. So, we have a 22% turnout rate. Here are the official results:

- Jeffrey “Crow” Bolt, 61*
- Clarissa Varihue, 58*
- Katherine “Kate” Morris, 56*
- Chelsea Hopkins, 46*
- Deena Eldridge, 41*
- Joseph Walch, 41*
- Randi Vance, 36*
- Jennifer “Jenn” Fain, 35
- Helen Thompson, 32

The seven nurses who received the most votes are elected; they are marked with an *. Their terms will expire on June 15, 2025. We are especially grateful for those who did not get elected, because democracy requires choices and participation.

The newly elected executive committee members will meet on Tuesday, August 8 at 10 a.m. to select a chair and secretary-treasurer from among themselves. They will need to make many decisions, including a plan for bargaining.
Since our contract expires June 1, 2024, we will reach out to our employer to schedule bargaining sessions, probably early in the new year. We will be looking for Contract Action Team members to serve as communications liaisons.
