Nurses: get updates from our union at OHSU

Make sure you're getting emails from us with bargaining updates to your non-OHSU email! If you're not, go to: https://www.oregonrn.org/update to get email updates. Make sure your phone number is updated too!

Follow us on Instagram for posts and stories on current events, bargaining updates, and learn about our union @aurnursesofona

Join your unit's Signal or WhatsApp group chat to get updated quickly and to ask your unit rep(s) a question. Ask your unit rep about the onboarding process.
