Nurse Appreciation

Free coffee for all ONA Nurses from Island Time

Nicole at the Island Time Coffee has your name and free drink of your choice. Your ONA Executive Team appreciates all the hard work you do for our community.

Stop by the cart from 7 a.m. to 3 p.m. to pick up your drink. This will be open until the end of June. For night shift we are going to round with goodies, since we know you have missed out.

This is sponsored by the ONA Executive Team.

The Nurse Practice Act

Learn the best ways to operate within the nurse practice act and protect your license. Reviewing Division 45.

Standards and Scope of Practice for the Licensed Practical Nurse and Registered Nurse

A look at Oregon State Board of Nursing

6 p.m. Tuesday, June 28 – Zoom

Changes coming: New Payroll System

Providence was moving away from Lawson to Genesis for W-2 and pay stubs. Kronos will be used for timecards, and Kronos will also be where PTO accruals are tracked in real time.

This is all part of continuing merging of Providence differing systems for HR and payroll/timekeeping. Training and transition will begin in June.
ONA Providence Statewide News

ONA Nurses Vote YES to Unprecedented Strikes at 3 Providence Hospitals

In historic elections to protect patient safety and demand safe staffing, affordable health care and fair wages, frontline nurses at Providence Milwaukie Hospital and Providence Willamette Falls Medical Center in Oregon City voted nearly unanimously to authorize strikes against Providence in elections which closed on June 2. They join nurses at Providence St. Vincent Medical Center in Portland who voted to strike in May.

This unprecedented show of strength unites more than 2,000 Oregon nurses at three Portland-area Providence hospitals who have voted to strike one of the nation’s largest and wealthiest health care systems. Despite being one of the state’s largest companies and regularly collecting more than half of its total profits from Oregonians, Providence has never faced a strike in Oregon.

Our power is undeniable. As we continue to build solidarity, talk with your local nurse leaders and labor representative to find out how to get involved and show your support today by signing nurses’ petition!

Help Build Power in Your Unit

Steward Trainings - ONA Stewards are the lifeblood of what makes our union strong. A strong union has at least one steward for every unit and shift. Stewards are there to answer colleague’s questions and discuss concerns and help keep every nurse up to date on important union activities.

We offer multiple trainings throughout the year, focusing on representing your coworkers, problem-solving workplace issues, welcoming new members to their union, and building our union’s overall power to make improvements for nurses.

If you are interested in becoming a steward, please reach out to your labor representative Misha Hernandez at Hernandez@oregonrn.org
