PROVIDENCE WIDE STEWARD TRAINING!

Learn what it takes to become a union steward! We will be teaching the basics of:

- ◆ Knowing your union rights
- ◆ Representing a co-worker
- ◆ Filing and processing a grievance
- ◆ How to find important items in your contract
- ◆ How to make our union stronger!

ONA stewards are the lifeblood of what make our union strong, and are needed now more than ever.

A strong union has at least one steward for every unit and shift. Members can go to them with questions and concerns and they in turn keep members in the know about important union activities.

Are you interested in learning more about representing your coworkers, problem-solving workplace issues, welcoming new members to their union, and building our union's overall power to make improvements for nurses?

Register now for the next Providence system-wide basic steward training via Zoom:
