Welcome New ONA PWFCM Executive Member Jonathan Houser!

Oregon Nurses Association (ONA) is proud to announce Jonathan Houser from

Child Adolescent Psychiatric Unit (CAPU) as our new Member-At-Large. Jonathan will join our Executive

Committee by serving as a voice for nurses in his unit to solve issues and be represented at the bargaining table. ONA specifically asked nurses in CAPU to provide a candidate for Member-At-Large because of long-standing issues that have yet to be resolved. CAPU has had many changes which need resolution to provide a healthy working environment for advocates who provide care to some of our community's most vulnerable patients. Working together we know we can address their issues as well as issues that impact all nurses at Providence Willamette Falls Medical Center (PWFCM) such as breaks and rest periods.
