ONaNursing Memorial Scholarship

We are ready to move forward with the ONA Nursing Memorial Scholarship at Asante Rogue Regional Medical Center

The Oregon Nurses Association (ONA) has established a nursing scholarship fund, the ONA Nursing Memorial Scholarship at Asante Rogue Regional Medical Center. The scholarship was created in 2019 in honor of ONA nurses who have served our patients and community with excellent, compassionate care. The scholarship honors the memory of nurses who have advocated for improving our health system, providing living wage jobs, ensuring financial security and delivering safe patient care. Through the scholarship we remember and honor those who have come before us and recognize talented students who will become the nurses of tomorrow.

Grievance Win $41,291.73!

In November of 2017 Clarissa Carson brought forward a grievance regarding a pay error in which she and other nurses were not being compensated appropriately for the weekend differential when they used Earned Time Off (ETO) on their regularly scheduled hours.

Per our contract: Nurses are compensated for ETO at their hourly rate. The hourly rate is defined as base pay plus all differentials. As such, nurses should have been receiving the weekend differential as part of their base pay for ETO used on weekends.

As a result of this grievance, 577 bargaining unit nurses received retroactive correction going back to January 1, 2018 ranging in amounts from $0.43 to $381.65.

Those retro payments were included on your April 19 paycheck.

ARTICLE 9 - EARNED TIME OFF (ETO)

- **9.1 Purpose.** Earned Time Off (ETO) is provided to enable nurses to plan time off more effectively to meet both their needs and the staffing needs of their departments. Since ETO removes the accrual distinction between holiday, sick time and vacation, it provides greater flexibility in the use of time off, provides a special reward for nurses who work holidays and provides an adequate amount of time off for illness. ETO compensates nurses at their hourly rate when they are absent from work for such purposes as vacation, illness, holidays, family emergencies, religious observances, dental care and other personal time off.
