Samaritan Pacific Bargaining Begins
Monday, May 3

Our bargaining team has worked hard to develop a set of proposals that reflects your interests. We held conversations with many nurses and looked closely at our survey results.

We heard you loud and clear that we need across the board wage increases and higher differentials to recruit and retain experienced nurses. We will present our proposals on the first day of bargaining, Monday, May 3, 9:00 a.m. – 5:00 p.m.

However, our success in these ONA negotiations is not based on our ability to make good arguments at the table, or in garnering public attention to the issues for which we are fighting. Rather, our success is rooted in the average nurse’s willingness to be involved in the process.

By showing solidarity, we send a clear message to Samaritan administration that nurses care about the issues we’re negotiating over, that we are united as a group, and that we are willing to fight to protect what we currently have and achieve something better.

This year, we are bargaining remotely over Samaritan’s GoTo Meetings app. Our team needs you to show up for bargaining! Even just for a few minutes.
If you are working that day, please call in during your meal or rest periods, and from non-public areas of the hospital. We ask you to be a silent observer, muted and don’t use the chat channel. When you first call in, we’ll ask you to state your name and department.

When we are not directly bargaining with the employer, we’ll be meeting separately (caucusing) on Gary’s Zoom channel. See the login details below.

**Monday, May 3 at 9 a.m.-5 p.m.**
