Bargaining Survey is Here! Make Your Voice Heard!

As we get ready to negotiate a new contract with Legacy Silverton, a key first step is to set our priorities by filling out our bargaining survey. This is a crucial because it will help guide our bargaining team so they know what to advocate for. Also, it makes our proposals more authoritative when we speak up for our priorities. The more united we are, the more administration has to take us seriously, and this unity begins with a survey. Fill yours out today!

“When I go to the bargaining table as a part of our bargaining team, knowing the priorities of my co-workers helps me advocate for all of us. It is a great way for everyone to have a voice in this process and to see what it means to have a union. Take a few minutes and fill it out—it makes a difference.”

Support your ONA Bargaining Team by Joining the Contract Action Team!

Our unity matters. We know we can’t win at the negotiating table with good arguments alone, we need to stand together and show administration our strength in unity.

The way we increase that unity is by building a strong Contract Action Team (CAT). To ensure our bargaining team remains rooted in what’s happening at every location, we want to make sure they hear from everyone.

In turn, the CAT helps communicate updates to their coworkers. This is how we ensure that we are connected to the bargaining process in a meaningful way.

Vote YES on Measure 101 to Protect Health Care Access

Oregon voters will face a decision on whether or not to protect health care for more than 350,000 children, adults with disabilities, seniors, and low-income families in a special election Jan. 23, 2018.

Measure 101 asks voters to uphold the bipartisan Oregon Healthcare Protections Bill which the legislature passed in the 2017 legislative session. Nurses, hospitals, insurers, Democrats and Republicans all supported the bill in order to fund health care and lower premiums for more than half a million Oregonians.

Voting YES on Measure 101 means protecting health care for Oregonians who otherwise couldn’t afford care and are too often forced to go to the emergency room when they are sick. If the measure fails, thousands of our most vulnerable patients will be in jeopardy of losing their health care.

It is critical we stand together to protect Oregon families by supporting Measure 101 in the Jan. 23 special election.

Learn more, get involved, and add your name to pledge to vote YES on Measure 101 at:

www.OregonRN.org/YesOnMeasure101

If Measure 101 fails, over 350,000 Oregonians could lose their healthcare coverage.
