ONA Legislative Issues Member Survey

We invite all members to participate in ONA's legislative issues survey. The survey questions have emerged through a collaborative effort between members and staff and are focused on issues that advance nursing practice, health equity, and workplace safety.

This work was a direct result of the ONA Post-COVID-19 Legislative Planning Series, utilizing member experiences and feedback to move forward in developing a legislative agenda. To ensure we have as many voices represented as possible, the group decided to solicit feedback from all membership through this survey.

Your input helps ONA Government Relations staff and the Cabinet on Health Policy finalize an agenda that ONA will prioritize during the 2021 State Legislative Session.

Participants will be eligible to receive an ONA-branded facemask so you can show your nurse pride and promote public health while out in public.

MARK YOUR CALENDARS FOR ONA SCRUB DAYS!

We hope you enjoy these Oregon Nurses Association (ONA) scrubs. They are to show our appreciation to those who care enough to stay involved in a union that works hard for you!

Your ONA bargaining team negotiates excellent wages, benefits and working conditions that are protected by a legal contract and applies to ALL of our nurses. If you are unfairly disciplined, ONA provides due process to protect you. We need you and your co-workers to volunteer time and energy to make sure we are supported and can provide the BEST patient care!

Your executive committee is already preparing for negotiations in September 2020.

Wear your scrubs on our dedicated 2020 Tuesdays and Fridays:
