Vote YES on Measure 101 to Protect Health Care Access

Oregon voters will face a decision on whether or not to protect health care for more than 350,000 children, adults with disabilities, seniors, and low-income families in a special election Jan. 23, 2018.

Measure 101 asks voters to uphold the bipartisan Oregon Healthcare Protections Bill which the legislature passed in the 2017 legislative session. Nurses, hospitals, insurers, Democrats and Republicans all supported the bill in order to fund health care and lower premiums for more than half a million Oregonians.

Voting YES on Measure 101 means protecting health care for Oregonians who otherwise couldn't afford care and are too often forced to go to the emergency room when they are sick. If the measure fails, thousands of our most vulnerable patients will be in jeopardy of losing their health care.

It is critical we stand together to protect Oregon families by supporting Measure 101 in the Jan. 23 special election.
