We Need You!

You may have heard we are losing one of the team to Clinical Education (Congratulations Becky!), so we are calling for nominations for the open positions.

Please consider nominating a coworker or yourself for the open positions on our team.

We are beginning negotiation prep and would like to fill these positions with strong nurse leaders. These are the colleagues who will be representing you at the bargaining table.

Nominations will open May 19 and close on June 19. Watch for a text or email with the links for nominations.

Update your personal email address and your text information on the ONA website. We will use these to send out information, surveys, and negotiation updates. Scan this QR code to update or follow this link:

We are ONA
We Need You!

The team is meeting monthly, and we are preparing a survey right now. We are hearing some concerns about the contract language and the need to clarify some areas. Please talk with a team member or send your ideas/concerns/comments to improve our contract to kenny@oregonrn.org. We would love to hear your input.

We NEED Unit Reps for each shift on each unit. You will play a vital role in communicating to the members and relaying information back from negotiations. Please consider representing your unit and taking the Introductory Steward Training.

Introductory Steward Training—June 3

ONA stewards are the lifeblood of what makes our union strong. A strong union has at least one steward for every unit and shift. Stewards are there to answer colleagues’ questions and discuss concerns and help keep every nurse up to date on important union activities.

The introductory steward training dives into the basics of being a steward, including knowing your union rights; representing a co-worker; how to find important items in your contract; and how to make our union stronger!

Members can go to stewards with questions and concerns and they in turn keep members in the know about important union activities.

There is a virtual introductory steward training scheduled for June 3 from 10 a.m. to 2 p.m. and more dates are being finalized. Space is limited, so register today!
