## Nominations Are Now Open for Your ONA Bargaining Team!

Oregon Nurses Association (ONA) has negotiations coming up in the next few months with the State of Oregon for our next collective bargaining agreement. In preparation, we need all nurses in every worksite to consider who you would like to represent you at the bargaining table. Please use the nomination form on page 2 to submit the names and signatures from people consenting to serve in these positions. Approach your coworkers who you want to represent you and please encourage them to send it in. We need a team of people that represent each of our worksites. If you have questions about serving on the bargaining team, please feel free to contact Amber Cooper at [cooper@oregonrn.org](mailto:cooper@oregonrn.org).

Secondly, all nurses should start having conversations about what you'd like to see improved in our next agreement to make your workplace better and recruit and retain good coworkers. We'll have a survey coming out in the near future for everyone to provide feedback. Start building consensus now with in-person conversations with coworkers to share ideas around our goals and priorities.

We hope every nurse can find a way to be involved in the process. If you have questions about getting involved please contact Amber Cooper, our ONA labor representative at [cooper@oregonrn.org](mailto:cooper@oregonrn.org)
