Representative Rob Nosse To Speak with Elliott House Nurses

As an Oregon Nurses Association (ONA) labor representative, Rob Nosse is very dedicated to ONA members all across the state and is able to do site visits with ONA nurses at Elliot House.

As an elected state representative, Rob Nosse is currently the new Co-Chair of the Joint Committee On Ways and Means Subcommittee On Human Services, which is the place where amendments to the governor’s budget will be discussed.

His hope is to meet as many nurses and other staff as possible at Elliot House and share your stories with the state legislature and other elected representatives.

We hope you'll attend this important event and share this opportunity with your colleagues.

Sunday, March 10
10 – 11 a.m.
Elliot House

All nurses are invited to meet with Representative Rob Nosse about the future funding of Elliot House. The governor's current proposed budget is to eliminate Elliot House.

Bargaining Is Starting Soon!

Please mark your calendars, we have negotiations starting in March. We'd love as many nurses as possible to attend in person if you are available any of the days of negotiations to support our bargaining team as an observer. We hope every member can find a way to stay connected with negotiations throughout the process.

Also, be sure to watch for a bargaining survey coming out soon where you can share what is most important to you for improving our collective bargaining agreement. Once we complete nominations, we also hope you will talk with your bargaining team representatives about what is important to you to improve your workplace.

2019 Bargaining Sessions:
March 13  April 10  April 24
May 8  May 22  June 5

All sessions generally run 9 a.m. to 5 p.m., (but may have delays in start time, and/or end early)

Location: ONA office 18765 SW Boones Ferry Rd., Suite 200, Tualatin, OR 97062
DON’T MISS IMPORTANT ONA EMAILS

ONA wants to make sure all members receive timely communications, ensuring you have the most up-to-date information on your contract, bargaining issues, upcoming votes, nursing research, practice issues and workplace policies. If you are not receiving ONA emails, we can help.

First, check to make sure ONA emails are not being filtered into a junk, spam or clutter folder. Many email providers, like Comcast, Yahoo and Gmail, have built in Spam/Junk filters or blockers. The filters are intended to prevent you from getting junk mail or spam, but can unintentionally block emails you want to receive. If ONA emails are in one of these folders, flag them as “not junk” and add News@OregonRN.org to your safe sender list.

If there are no ONA emails in those folders and you still aren’t receiving ONA emails, there are various causes listed to the right.

You can fix most problems by simply emailing ONA at News@OregonRN.org with your name, personal email address and the name of the facility you work at in the body of the email.

We will update our records to ensure you don’t miss future ONA emails.

Common Reasons for Not Receiving ONA Emails

1. **Mislabeled**: Emails from ONA are being flagged as junk or spam by your email service provider.

2. **No Email**: ONA does not have an email on file for you.

3. **Bad Email**: ONA has an incorrect or outdated email on file.

4. **Blocked**: Due to several failed delivery attempts, our system has stopped attempting to send emails to your email address.

5. **Opted Out**: You have opted out of receiving emails.

6. **Work Email Filters**: Some health care systems filter out ONA emails so nurses don’t receive ONA-related emails. This is why we encourage nurses to use their personal email addresses instead of work emails.

Fixing Problems to Receive ONA Emails

1. **Check your junk/spam/clutter folder for ONA emails**: Flag ONA emails as “not junk/spam” and add News@OregonRN.org to your safe sender list.

2. **Email ONA**: To fix reasons 2-6, simply email ONA at News@OregonRN.org, and include your name, personal email and facility you work at in the body of the email.
