**Letter of Agreement between STC-P and ONA**

**Overwhelmingly Passed!**

64% of the bargaining unit members turned out for the 24-hour vote, with 92% voting **YES** to accept the Letter of Agreement.

The nurses accepted the wage increases, earned time off (ETO), to roll contract over for three years, and differentials that St. Charles Bend (STC-B) nurses received this year.

This would not have been achieved without the hard work of our nurses at St. Charles-Bend (STC-B).

If, by chance you know or see a STC-B nurse, please thank them.

ONA stewards are the lifeblood of what makes our union strong. A strong union has at least one steward for every unit and shift. Stewards are there to answer colleague’s questions and discuss concerns and help keep every nurse up to date on important union activities.

There are three different steward trainings offered throughout the year. Introductory steward training focuses on representing your coworkers and problem-solving workplace issues. Grievance handling covers identifying, filing and following up on contract grievance. Building worksite power stresses how to build your union and create an environment that results in improvements for nurses.

Find the training and date that works best for you!

More steward trainings and other learning opportunities are being planned, so check back to the ONA website regularly to find more opportunities.

Space is limited so register today at the link below:
