ONA Update on STC-R Fellowship Negotiations

As previously reported, our ONA St. Charles Redmond team worked to bargain fair guidelines for our St. Charles Redmond Fellowship, but administration at St. Charles Redmond undermined the process. ONA filed an Unfair Labor Practice charge against St. Charles for “backward bargaining,” which means they came back with a proposal that was less than what they had already proposed. This is a violation of National Labor Relations Act.

Despite the charge being filed St Charles can still come to the table and bargain in good faith, but they are choosing not to until there is a ruling on the charge, which could take months.

Our ONA executive committee is willing to meet any time to resolve this issue and put it behind all of us.

If you have any questions, please contact your ONA labor representative.
