Your team met with management on Wednesday, Oct. 9, 2019. Management came back with responses to ONA’s previously presented language proposals. At this time, management has not accepted our major proposals.

**Wednesday’s ONA Proposals included:**

- **Ground Rules were proposed.**
- **Article 13.** Added Staffing Committee to the contract. Added negotiation team compensation for nine (9) team members.
- **Incorporated LOA of PeriOp Department into contract.** Changed short rest to ten (10) hours. Incorporated charge nurse LOA into contract. PeriOp nurses with fifteen (15) years of unit seniority exempt from weekend call.
- **New language for compensation for wage and reimbursement to travel to mandatory education or work-related events.**
- **Added new language on flu policy that protects personal health care information and management of influenza-like illness.**
- **Added new language on Safe and Healthy Workplace.** This would provide for formation of a workgroup. It would address violence in the workplace and include bullying. Signage, Caregiver Assistance Program, Code Gray training, safety plans for high risk, Hillrom security, and education on documentation of violence alerts are some of the aspects included in this language.
- **Added new LOA for making HR fair and equitable for varied start time shifts.**

Don’t Miss Important ONA Emails!

Common Reasons for Not Receiving ONA Emails
1. Mislabeled: Emails from ONA are being flagged as junk or spam by your email service provider.
2. No Email: ONA does not have an email on file for you.
3. Bad Email: ONA has an incorrect or outdated email on file.
4. Blocked: Due to several failed delivery attempts, our system has stopped attempting to send emails to your email address.
5. Opted Out: You have opted out of receiving emails.
6. Work Email Filters: Some health care systems filter out ONA emails so nurses don’t receive ONA-related emails. This is why we encourage nurses to use their personal email addresses instead of work emails.

Fixing Problems to Receive ONA Emails
1. Check your junk/spam/clutter folder for ONA emails: Flag ONA emails as “not junk/spam” and add News@OregonRN.org to your safe sender list.
2. Email ONA: To fix reasons 2-6, simply email ONA at News@OregonRN.org, and include your name, personal email and facility you work at in the body of the email.
