Tuality Geri Psych Nurses Vote to Join the Union!

The Tuality Community Hospital Geri Psych nurses are in the union! Votes were tallied by the NLRB at Tuality on Wednesday, Aug. 21. Out of 11 votes cast, 9 were for the union.

Our next steps are surveying nurses in the unit to help prioritize your needs at the bargaining table and electing a small team to negotiate your entry into the ONA contract.

Great work and thanks to everyone who voted!
