

AFFILIATES EDUCATION SERIES APPLICATION

ORRA Affiliate members are invited to participate in the new Affiliates Education Series. The 2018 series will consist of four 2.5-hour programs, in which Affiliate members provide education on a variety of topics.

If you are interested in being a presenter, panelist, or host/moderator for a program, please submit your completed application for consideration by the Professional Development Forum. The purpose of this presentation is to observe your presentation skills, discuss your qualifications, and review the course content of your submission. The Forum has been given the authority by ORRA Leadership to approve or deny any request that does not meet the required criteria. You will be notified by a staff member of ORRA's Professional Development Department within 30 days of receipt of your application as to your presentation date and time. If approved, a staff member will discuss the date and time, as well as your role in the education program.
