Many people helped in the creation of OSAP’s “If Saliva Were Red” Training Video and Companion Workbook. Without their valuable guidance, expertise, and time, this program would not have been developed. OSAP would like to thank and acknowledge the following individuals:

**Health Communications Specialists**
Kathy Eklund RDH MHP  
Director of Infection Control and Occupational Health, and Research Subject and Patient Safety Advocate at the Forsyth Institute in Boston, Massachusetts. She is an adjunct associate professor at the Massachusetts College of Pharmacy and Health Sciences, Forsyth School of Dental Hygiene, where she teaches senior level courses in oral health research.

Karen Ortolano  
Writer/editor/designer/manager/director with more than 375 technical, educational, marketing, and contract-compliance document credits for print and web. Owner and Operator of Karen Gomolka Editorial Services.

Cheryl Wolf CDA BS  
Faculty at Central Piedmont Community College in Charlotte, NC responsible for infection/hazard control education for dental assisting/hygiene students, basic orofacial anatomy, dental sciences, preclinical lab, oral health education lab and clinical supervision for the Dental Assisting Program. She developed the Dental Infection/Hazard Control course for internet delivery for the Dental Hygiene and Assisting Program.
