THE CDC, OUR PRACTICE, AND YOU.
WE’RE SERIOUS ABOUT SAFETY.

Ask us how we are using the new CDC Infection Prevention Checklist to ensure your safety.

Join the conversation #DICAM2017
Clean Hands
Ask us how we are washing our hands, why we wear gloves and how these practices keep you safe.

Sterile Instruments
Ask us how we sterilize our instruments to keep you safe.

Safe Water
Ask us about our water treatment system and how we maintain it to keep you safe.

Patient Eye Protection
Ask us about how we protect your eyes to keep you safe.

This resource was prepared by clinicians for the benefit of the Organization for Safety, Asepsis and Prevention (OSAP), a nonprofit, independent organization providing information and education on infection control and prevention and patient and provider safety to dental care settings worldwide. The information provided is for educational purposes only, is not intended nor implied to be a substitute for the users’ own exercise of their professional judgment. OSAP and the clinicians who assisted in preparing this material expressly disclaim responsibility and shall have no liability for any damages, loss, injury, or liability whatsoever suffered as a result of your reliance on the information contained in this resource.
