PROGRAM AGENDA Friday, October 18, 2019

Session 1

- 7:30 - 7:50am Registration and Continental Breakfast
- 7:50 - 8:00am Welcome and Introduction
- 8:00 - 11:15am Opioid Analgesics Risk Evaluation and Mitigation Strategy (REMS)^ (K)
- ACPE # 0418-9999-19-001-L05-P 3 contact hours (0.3 CEUs)
Timothy J. Atkinson, Pharm.D., BCPS, CPE
Christopher Gharibo, M.D.
15 minute break to be determined by speaker

11:15 - 11:30am Session 1 Evaluation

11:30 - 1:00pm Lunch and Exhibitor Showcase

Session 2

- 1:00 - 2:00pm Get Your Levels Out of the Trough: Moving From Trough-Based to Area Under the Curve Vancomycin Monitoring* (K)
- ACPE # 0053-9999-19-032-L01-P 1 contact hour (0.1 CEU)
Mary Shreffler, Pharm.D.
- 2:00 - 3:00pm Definitely, Maybe: The Role of Antipsychotics in Children and Adults with ICU Delirium* (K)
- ACPE # 0053-9999-19-033-L01-P 1 contact hour (0.1 CEU)
Maura Harkin, Pharm.D.
Mentor: Peter N. Johnson, Pharm.D., BCPS, BCPPS, FPPAG, FCCM
- 3:00 - 3:15pm Break
- 3:15 - 4:15pm USP Chapters <797> and <800> - Special Topics for Consideration for the Pharmacy Professional* (K)
- ACPE # 0053-9999-19-034-L07-P 1 contact hour (0.1 CEU)
Heith Crosby, Pharm.D., Ph.D., RCP-SCF
- 4:15 - 4:30pm Closing Remarks and Session 2 Evaluation
- 4:30 - 5:30pm Residency Showcase

(K) = Knowledge-based CPE activity

A knowledge-based activity is structured to meet knowledge-based education needs and is for participants to acquire factual knowledge. Information in knowledge-based activities is based on evidence as accepted in the literature by the healthcare professions.

* Denotes sessions of Continuing Education credit provided by the University of Oklahoma College of Pharmacy

^ Denotes sessions of Continuing Education credit provided by the Potomac Center for Medical Education

TARGET AUDIENCE & PROGRAM OBJECTIVES

Session 1

This activity is intended for the multidisciplinary healthcare team, (PCPs, nurses, behavioral health providers, psychiatrists, and pharmacists) who need to obtain a balance between optimal pain reduction and minimization of adverse events (e.g. abuse, addiction, side effects, and risk of workplace accidents). At the completion of this activity, the participant will be able to:

ACPE # 0418-9999-19-001-L05-P 3 contact hours (0.3 CEUs)
Identify risk factors and vulnerabilities associated with addiction to opioid analgesics and provide patient/caregiver counseling when necessary
Discuss the components of an effective treatment plan, including patient interactions, treatment goals, and collaboration within the healthcare team
Analyze the specific benefits and risks to initiating non-medication therapies before utilizing long-term medications
Recognize patients who are candidates for treatment with nonopioid pharmacologic analgesics
Explain the decision to initiate long-term opioid analgesics, including ER/LA opioids, with consideration to providing in-home naloxone
Determine when referral to a pain specialist is appropriate for a patient with chronic pain

Session 2

This program is intended for pharmacists in a health-systems setting. At the completion of this activity, the participant will be able to:

ACPE # 0053-9999-19-032-L01-P 1 contact hour (0.1 CEU)
State the latest clinical practice recommendations for monitoring vancomycin
Describe the different methods for calculating area under the curve
Outline potential steps to transition to area under the curve vancomycin monitoring

ACPE # 0053-9999-19-033-L01-P 1 contact hour (0.1 CEU)
Identify risk factors for intensive care unit (ICU) delirium in children and adults
Recognize pediatric and adult scoring tools for delirium
List non-pharmacologic and pharmacologic treatment options for prevention of ICU delirium
State the role of antipsychotics in the treatment of ICU delirium
Outline a monitoring plan for patients receiving antipsychotics for ICU delirium

ACPE # 0053-9999-19-034-L07-P 1 contact hour (0.1 CEU)
Identify the updates to the environmental microbiology sampling requirements
Review the personnel competencies required for USP Chapters <797> and <800> compliance
List the updates for beyond use dating (BUDs) for compounded sterile products
Review the minimum requirements for USP Chapter <800> compliance

ACCREDITATION

The Potomac Center for Medical Education is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. The University of Oklahoma College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

The University of Oklahoma and USF is an Equal Opportunity institution and does not discriminate on the basis of color, national origin, sex, age, religion, handicap, or status as a veteran in any of its policies, practices or procedures. Accommodations on the basis of disability are available by contacting Cassidy Roberts, Outreach Liaison, P.O. Box 26901, Oklahoma City, OK, 73126, (405)-271-6194. The information provided at this CE activity is for continuing education purposes only and is not meant to substitute for the independent medical/clinical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

COMMERCIAL SUPPORT

Session 1's activity is supported by an independent educational grant from the Opioid Analgesic REMS Program Companies. Please see https://ce.opioidanalgesicrems.com/RpcCEU/remss/pdf/resources/List_of_RP_C_Companies.pdf for a listing of REMS Program Companies. This activity is intended to be fully compliant with the Opioid Analgesic REMS education requirements issued by the US Food and Drug Administration.

AWARDING CREDIT

This seminar offers a total of six contact hours (0.6 CEUs) of ACPE-accredited continuing pharmacy education credit accepted by the Oklahoma Board of Pharmacy and most other states. Credit will be earned based on the participation in individually accredited activities. Full attendance and participation are required before obtaining CPE credit. Partial credit will not be awarded.

Session 1: To receive CE credit the participant must: participate in this three-hour-long program, complete the onsite evaluation form (all participants must complete the entire onsite evaluation form), and return the onsite evaluation form to logistics staff. The initial release date is 04/28/19.

Session 2: The University of Oklahoma College of Pharmacy, as an ACPE-accredited provider, is required to report all pharmacy continuing education credit through the CPE Monitor. Credit will be available online to participants within four weeks. A notification email will be sent to participants when credit is uploaded. For successful completion and subsequent awarding of credit, the attendance verification procedure will require each participant to complete the following: sign in on the afternoon sign-in sheet, provide NABP e-Profile ID # and month and day of birth, complete the learning assessment, return nametag at the end of the final session attended and complete the online program evaluation. The initial release date is 10/18/19.

REGISTRATION, REFUND & GRIEVANCE

Pre-registration is suggested to allow OSHP to provide the appropriate faculty and materials necessary to meet the program objectives. Early registrations will be accepted until 10/11/19. OSHP reserves the right to limit registrations or cancel courses. There are no refunds. For any questions, concerns or grievances, please contact Cassidy Roberts at (405) 271-6194 or Cassidy-Roberts@ouhsc.edu. You may contact the OU College of Pharmacy for a copy of the Grievance Policy.

FACULTY
