*As the Largest
Law Fraternity
in the World...*

Phi Alpha Delta has the resources to help you succeed! We fulfill our mission of dedication of service—to the student, the school, the profession, and the community—by helping students make informed decisions about their education, connecting them with mentors, and fostering supportive communities.

We provide leadership opportunities, test preparation, referral networks, CLE access, a career center, and invaluable fraternal networking for students and alumni.

Phi Alpha Delta

A Brief History

Phi Alpha Delta was established on November 8, 1902 by a group of law students at Chicago-Kent College of Law. We met the challenges brought on by World Wars I and II, the Great Depression, and the COVID-19 pandemic. P.A.D. saw continued growth in our extensive history with the merger of the women's legal fraternity, Phi Delta Delta, and the subsequent addition of the P.A.D. Pre-Law Program.

Since our founding, Phi Alpha Delta has turned to the bonds of fraternalism and fellowship to continue our dedication to service: service to the student, the school, the profession, and the community.

Core Values

Bound together by tradition and our common interest in the law, we share the core values of **compassion, courage, diversity, innovation, integrity, professionalism, and service.**
