1. **Available Products**

- **G Suite for Nonprofits**: Enable your teams to collaborate, iterate, and innovate together, from anywhere, in real time, with our cloud-based productivity suite.

- **Ad Grants**: $10,000 USD of in-kind advertising every month from AdWords, an online advertising solution from Google. Attract more donations, recruit more volunteers, and share your story with audiences all over the globe.

- **YouTube Nonprofit Program**: Share your nonprofit videos through YouTube to connect with supporters, volunteers, and donors.

- **Google Earth Outreach**: Bring your nonprofit’s story to life with custom maps and global location data.

- **Google One Today**: Build nonprofit fundraising campaigns that tie supporters’ donations to their impact, making it easy for them to give at any level.

Countries eligible for the program may not have access to all Google for Nonprofits products. View which Google for Nonprofits products are available in your country.

2. **Eligibility**

To be eligible for the Google for Nonprofits program, organizations must be nonprofit charitable organizations in good standing in their country. All organizations must be registered with the local TechSoup partner and be validated as a nonprofit organization.

Google for Nonprofits is only open to organizations in select countries. View the Google for Nonprofits eligibility guidelines.

3. **Getting Started**
