

Student Experience / Student Opinion Articles For *Pennsylvania Pharmacist*

PPA welcomes student authored experience or opinion articles for publication in our bi-monthly magazine, the *Pennsylvania Pharmacist*.

Before Submission:

- Send your article idea to PPA's Communications Coordinator, [Danielle Adams](#), to make sure that your article would be appropriate for publication
- You **MUST** be a PPA student member in order to have your work considered. If there is more than one student contributing author, all must be PPA members to receive a byline.

Article Submission:

- This article must not exceed 500 words
- Along with your article, you must include the proposed article title and contributing author(s), including the following: Name, Pharmacy School, Graduation Year
- A faculty member must authenticate and factually approve your article. Please have the faculty send a direct email to Danielle stating this. Please note this is not considered a peer reviewed journal article.

PPA will publish only one student article in an issue of the *Pennsylvania Pharmacist*. We will accept them and publish them in the order that they are received – first come, first serve.

Please note, your submission of an article does not guarantee publication and PPA retains all final editing rights to your article by your submission.
