

What you need to know about license renewal

Psychologists in Pennsylvania must earn 30 CE credits per biennium. Biennia run from odd year to odd year. For example, December 1, 2017 – November 30, 2019

Credits for psychologists must come from:

- An APA approved provider/course
- An AMA approved provider/course
- A provider approved by the State Board of Psychology
- An accredited college or university with semester hours, related to the practice of psychology

Webinars: Live vs. Home Study

Live, interactive webinars happen in real time, when the speaker is able to interact with the attendees.

A webinar is considered *live* when "Instructors and participants can see, interact, and discuss information in real time" - If all three of these do not occur, then a webinar is considered to be a home study.
