Report from ByLaw Administrative Review Committee (BARC)

RE: Elimination of Regional Councils

In January of this year, during the Zone President's meeting, a motion was made to eliminate Regional Councils. The rationale: Due to the decline of membership and having problems filling the positions at that level, the committee thought that this motion would best serve the organization. This motion was forwarded to the International Board of Directors (IBOD) on January 18. The IBOD reviewed the motion and after much discussion, the motion was referred to BARC because it is part of the International Constitution and ByLaws. BARC discussed this motion even more. BARC, therefore, sent the motion out to all chapters within Parents Without Partners for their vote on this recommendation to eliminate Regional Councils. This e-mail vote was sent out on January 31. If your chapter did receive this e-mail, please contact your Zone President immediately. Please try to respond before March 2.

If you still have questions, please feel free to contact me, 502-320-9660.
