

# PASCV Forum Guidebook

# What is the PASCV Forum?

As the primary forum for member exchange and networking, PASCV's Forum promotes interaction among members who share common areas of interest. The PASCV Forum allows members to share information, raise concerns, mentor one another, and publish shared work.

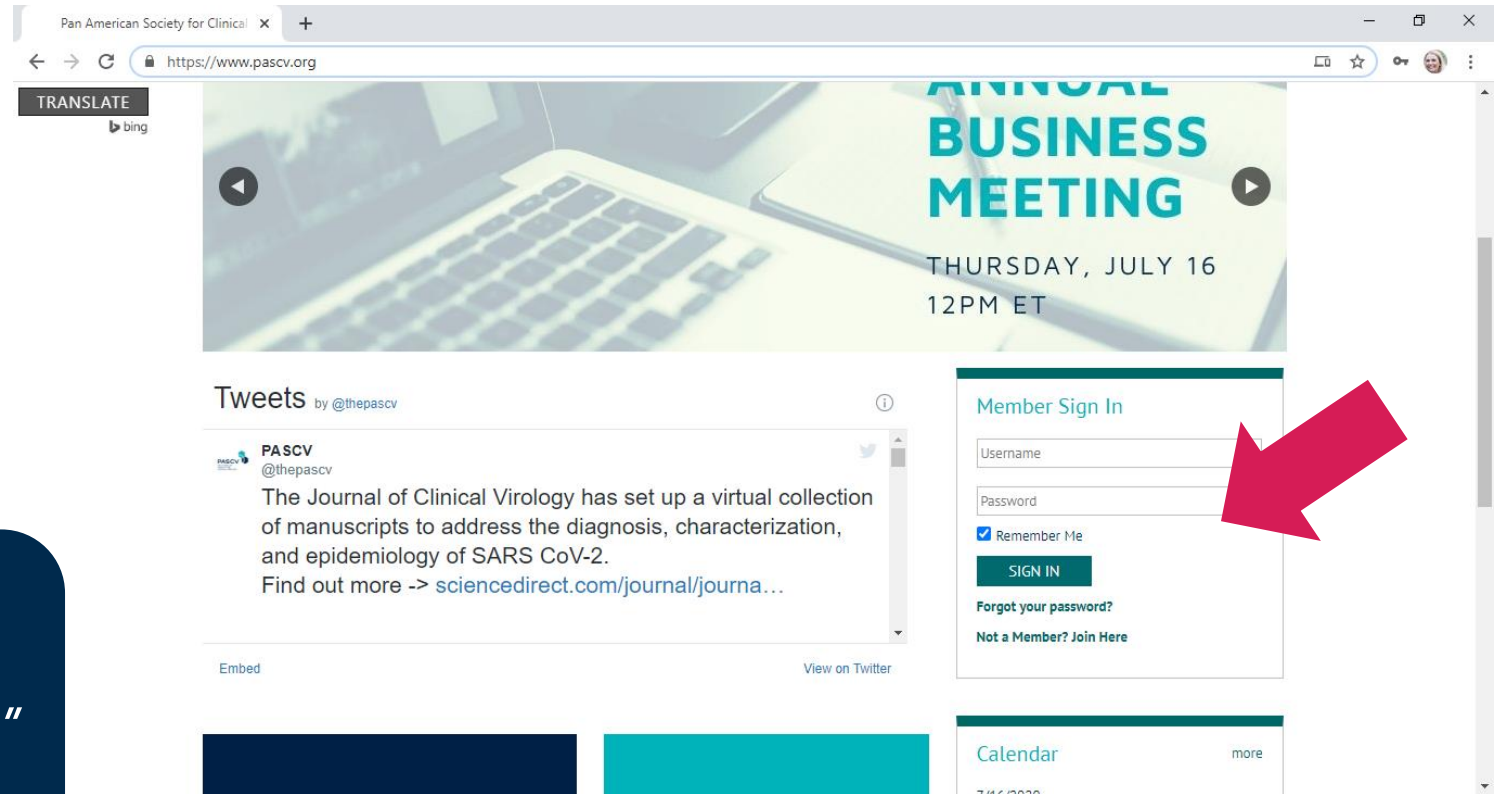

# Member Sign In

The PASCV Forum is an exclusive member benefit. To view and participate in the forum, members must be logged into their account.

- Visit [www.pascv.org](https://www.pascv.org)
- Navigate to the Member Sign In box and enter your username and password.
- Click “Sign In”

## Forgot Your Username or Password?

Select “Forgot your password?” from the Member Sign In box.

The screenshot shows a web browser window with the URL <https://www.pascv.org>. The page features a banner for an "ANNUAL BUSINESS MEETING" on Thursday, July 16, 12PM ET. Below the banner is a tweet from PASCV (@thepascv) about a virtual collection of manuscripts. On the right side, there is a "Member Sign In" box with fields for "Username" and "Password", a "Remember Me" checkbox, and a "SIGN IN" button. A red arrow points to the "Forgot your password?" link below the sign-in button. Below the sign-in box is a "Calendar" section with a "more" link.

 **LAMP**  
Anybody using any of the LAMP-based assays for SARS-CoV-2? If so, what are you seeing in terms of sensitivity? I know that some LAMP assays may tend to be somewhat less sensitive than PCR or other methods

# Code of Conduct

By participating in the forum, you agree that you have read and will follow the [Code of Conduct](#).

- Do not post any defamatory, abusive, profane, threatening, offensive, anticompetitive or illegal materials.
- Don't challenge or attack others. The discussions and comments are meant to stimulate conversation, not to create contention.
- Do not post any information protected by copyright without the permission of the copyright owner. By posting, the member warrants and represents that it owns the copyright to such information, or has received permission from the person or entity who owns the copyright to such information.
- Do not post commercial messages, such as promotional announcements, advertising, product-related press releases, or other commercial use. You may post a message asking for information or recommendations for products or services that you need.
- Comply with all federal and state privacy laws, including the Health Insurance Portability and Accountability Act of 1996 (HIPPA).

# Subscribe to Forum Notifications!

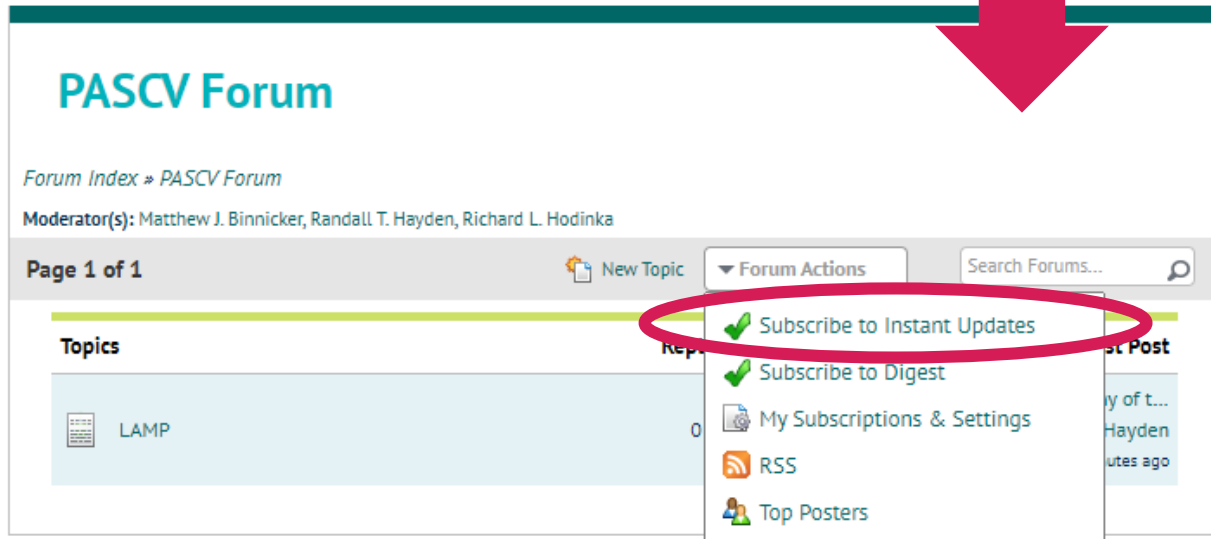

- **Within the forum, you have two levels of subscription options:**
- **Forum Level:** to be notified when new posts are added to the forum
- **Topic Level:** to be notified when new comments are made to a *specific* post.

## **NOTE!**

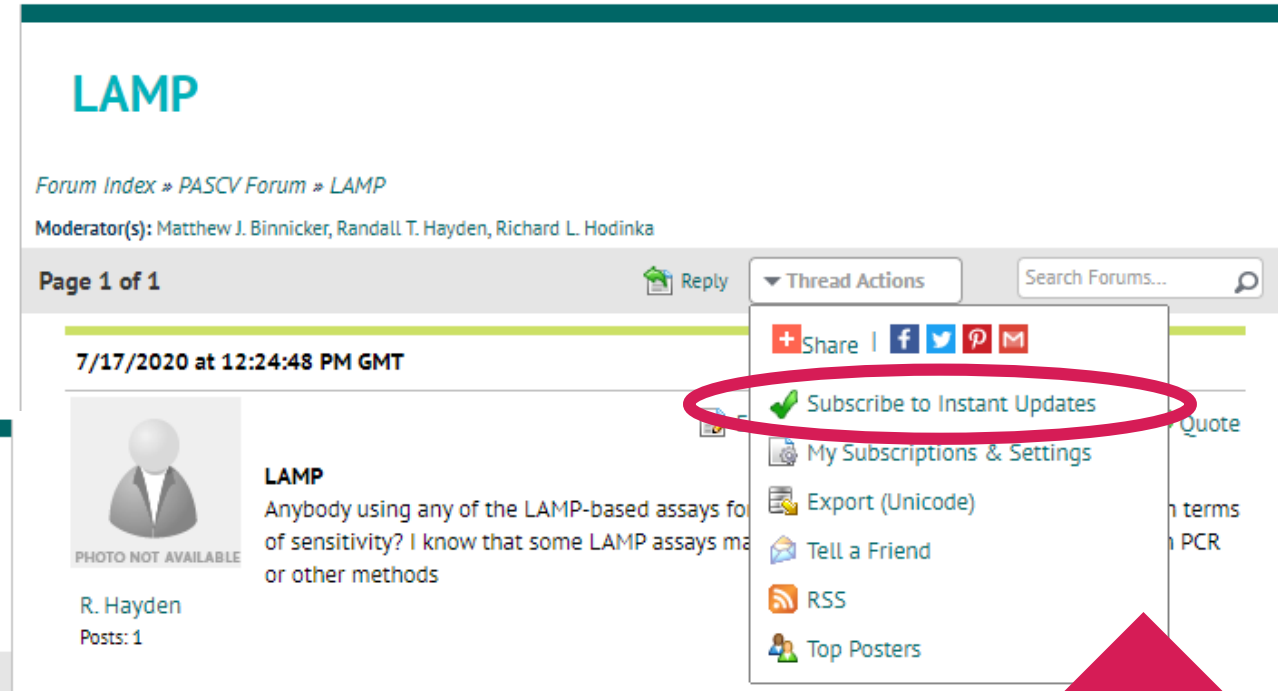

You will need to subscribe to each level separately.

# How Do I Subscribe?

**To subscribe to the Forum Level,** select the Forum Actions button and select "Subscribe to Instant Updates."

The screenshot shows the PASCV Forum interface. At the top, it says "PASCV Forum" and "Forum Index » PASCV Forum". Below that, it lists moderators: "Moderator(s): Matthew J. Binnicker, Randall T. Hayden, Richard L. Hodinka". The page is "Page 1 of 1". There is a "New Topic" button and a "Search Forums..." search bar. A "Forum Actions" dropdown menu is open, and the option "Subscribe to Instant Updates" is circled in red. Other options in the menu include "Subscribe to Digest", "My Subscriptions & Settings", "RSS", and "Top Posters".

The screenshot shows a forum thread for "LAMP". At the top, it says "LAMP" and "Forum Index » PASCV Forum » LAMP". Below that, it lists moderators: "Moderator(s): Matthew J. Binnicker, Randall T. Hayden, Richard L. Hodinka". The page is "Page 1 of 1". There is a "Reply" button and a "Thread Actions" dropdown menu. The "Thread Actions" menu is open, and the option "Subscribe to Instant Updates" is circled in red. Other options in the menu include "Share", "My Subscriptions & Settings", "Export (Unicode)", "Tell a Friend", "RSS", and "Top Posters".

**To subscribe to the Topic Level,** click on the name of a topic. Select the Thread Actions button and select "Subscribe to Instant Updates." Repeat for all topics as desired.
