# The Extras

## Sunday Night Petcoke and Sulfur Industry Reception

(Pool Terrace)

**Sunday, March 14, 2027**

**(6:00pm - 8:00pm)**

### 25 Years of Petcoke Leadership, Expanding to Include Sulfur

Join us as we close out the conference and raise a glass to 25 years of bringing the global petcoke community together. As the pioneers behind the industry's premier petcoke conference, we have spent the last quarter century creating a forum where ideas are exchanged, relationships are built, and the future of the industry is shaped.

This milestone year marks an exciting new chapter as we proudly introduce sulfur content to the conference program. While celebrating 25 years of excellence in serving the global petcoke industry, we are expanding the conversation to include sulfur market dynamics, creating new opportunities for collaboration across the refining, trading, logistics, and end-user sectors.

After two days of valuable insights, market discussions, and networking, continue the conversation in a relaxed and welcoming atmosphere. Reconnect with longtime colleagues, meet new industry contacts, and celebrate alongside professionals from across the global petcoke value chain while welcoming participants from the growing sulfur community.

Enjoy complimentary drinks, light bites, and plenty of opportunities to network as we commemorate this special milestone and look ahead to the next chapter of our conference's evolution.

Open to all conference attendees and industry professionals. Don't miss this special 25th Anniversary Celebration, an evening of networking, nostalgia, and new opportunities with the people who have shaped the global petcoke industry over the past quarter century and who will help drive the future of both the petcoke and sulfur markets. Raise a glass with old friends, make new connections, and join us as we celebrate 25 years of petcoke leadership while introducing sulfur to our conference community.
