We, the undersigned, do agree to form an association and for its government to adopt the following Constitution and Bylaws:

C. E. Bond	A. G. Hopper
F. H. Frazee	G. P. Leamon
L. H. Gardner	A. S. Rogers
C. P. Godfrey	A. Thurston
A. G. Hoffman	C. Hueber
A. T. Waggoner	

ARTICLE I NAME & OBJECTIVES

Section 1.

This association shall be known as the Phi Delta Chi Pharmacy Fraternity, hereafter referred to as the Fraternity.

Section 2.

The objectives of this association shall be to advance the science of Pharmacy and its allied interests, and to foster and promote a fraternal spirit among its Brothers.

Section 3.

Being a coeducational Fraternity, Phi Delta Chi does not discriminate based on gender. The word Brother refers to both male and female members of the Fraternity.

ARTICLE II MEMBERSHIP & ELIGIBILITY

Section 1.

There shall be a classification of membership known as Collegiate Brother. Any person of good moral character being a student in actual attendance at a recognized college or university, where there is a Chapter of Phi Delta Chi, is eligible for collegiate membership in the Fraternity, if Pharmacy is that person's major subject, or if registered in some other curriculum recognized by the college or university as a pre-pharmacy curriculum.

Section 2.

There shall be a classification of membership known as alumni Brother. Collegiate Brothers transition to become alumni Brothers when they graduate from their college or university, when they transfer to a different college or university where no Phi Delta Chi collegiate Chapter exists, or when they leave their college or university and do not continue in a course of study elsewhere. However, any person initiated, having changed course of study and being still in actual attendance in the college or university where initiated into Phi Delta Chi may remain a collegiate Brother in that collegiate Chapter. An alumni Brother may transition back to being a collegiate Brother if he or she

enrolls at a college or university where a Phi Delta Chi collegiate Chapter exists.

Section 3.

Any eligible person may become a Collegiate Brother of the Fraternity by receiving the favorable vote of 3/4 of the Collegiate Chapter before which his or her name has been proposed, by signing the Constitution and Bylaws, thereby agreeing to abide by them, by paying the initiation fee, and by receiving proper initiation, according to the Fraternity Ritual.

Section 4.

There shall be a classification of membership known as Graduate Brother. Any person of good moral character who is engaged in professional pharmacy or its allied fields shall be eligible for graduate membership. Such Brothers shall pay an initiation fee of an amount determined by the Grand Council, shall pay for a membership certificate, may purchase an official badge, and shall undergo a formal initiation. They must be accepted by a 3/4 vote of the collegiate Chapter at which they will initiate. Immediately after initiation, Graduate Brothers assume the status of alumni Brothers and are extended all privileges as such.

Section 5.

No Collegiate or Graduate Brother of Phi Delta Chi Fraternity shall join any other professional Fraternity of Pharmacy, except Honor Societies that are primarily devoted to recognizing scholarship or leadership. Any Brother of Phi Delta Chi who joins any other professional pharmaceutical Fraternity other than honorary shall be expelled automatically and obliged to return the membership certificate and all official fraternity jewelry.

Section 6.

There shall be a classification of membership known as Honorary Brother. To become an Honorary Brother, a person of good character, who has distinguished himself or herself in the profession of Pharmacy, may be nominated by receiving at least a 3/4 vote of the Chapter before which his or her name has been proposed. Such nominations shall be forwarded to the National Office and must be approved by a simple majority vote of the Executive Council. Honorary Brothers must respect the confidentiality of that part of the Fraternity Ritual known as Omicron.

Section 7.

Honorary Brothers shall be entitled to all privileges of Brothers, except taking part in such business that requires a vote of the Chapter, and shall be exempt from any Initiation Fee paid to the Fraternity. The Chapter shall pay an initiation fee of an amount set by the Grand Council for the Honorary Brother.

Section 8.

The Executive Council shall be able to grant honorary membership to not more than one person per year based on nominations received. A person may become an Honorary Brother by receiving at least 2/3 vote of the Executive Council. This privilege of the Executive Council does not extend to faculty at schools of pharmacy at which a collegiate Chapter of Phi Delta Chi exists as they could be initiated as Graduate Brothers. The honoree shall become a Brother of a collegiate Chapter at the discretion of the Executive Council and with the consent of that collegiate Chapter.

Section 9.

Applications for a Charter of Phi Delta Chi may be submitted by associations composed of students majoring in Pharmacy and/or a curriculum recognized as pre-pharmacy at a recognized college or university.
